More Time in the Best Places

NATIONAL PARKS, NATURAL WONDERS

You'll find something truly special at the heart of all of our most memorable vacations — the indulgence of time. After all, the best part of a stunning view or a chance bear sighting is having the freedom to soak it all in. That's why we place so much importance on unhurried tour itineraries. And add extra days in Denali, Dawson, Fairbanks, Whitehorse and Alyeska.

More Time

For the ultimate Alaska and Yukon experience, choose a cruisetour that immerses you in wonder. An extra day in Denali greatly increases the likelihood of experiencing the full vertical rise of Mt. McKinley — even greater than that of Mt. Everest — without cloud cover. It allows us the flexibility to schedule the longer Tundra Wilderness Tour which maximizes wildlife viewing — the best grizzly, Dall sheep and wolf habitat begins where the shorter tour turns back. And to make it possible for you to hike, river raft, flightsee or just relax at your lodge.

Our broad experience and vast network create unparalleled Alaska cruisetour itineraries with the widest variety of indelible experiences. Over the next several pages we describe the highlights of extraordinary places from Glacier Bay and Denali National Park to less-visited parks and preserves you just shouldn't miss. And we point you to optional excursions in each destination that let you personalize your adventure for the time of your life.

Denali National Park

MIGHTY MCKINLEY, WATCHABLE WILDLIFE

Feel the magic and mystery of Denali National Park — eagles patrolling the uplands, moose foraging in the meadows and grizzlies lumbering across braided rivers. And every turn in the park road takes you deeper into a land virtually unchanged by man. Better than any other national park, Denali preserves and showcases the true nature of wilderness.

On your official Denali National Park tour you will receive a special souvenir book produced by the Alaska Natural History Association on behalf of the National Park Service.

This national park and biosphere reserve is home to 20,320-foot-high Mt. McKinley, a mountain so massive it makes its own weather; a peak so mighty, the Athabaskan people called it “The Great One.” Viewed up close on a clear day, the tallest mountain in North America fills the horizon. It’s a wonder among wonders within the largest continually protected ecosystem in the world. Traveling the treeless tundra, one views staggering vistas. There’s no landscape like it outside the Arctic, and few places offer a more thrilling wildlife experience.

Watch for Alaska’s legendary “Big Five”— moose, caribou, grizzly bear, Dall sheep and wolf— in a stunning setting. Tall mountains, ice-blue glaciers, milky rivers, flower-decked tundra and dramatic geological features like the red, yellow and brown basalts of Polychrome Pass unfold at a leisurely pace. With just one ribbon of road and a mere handful of Visitor Centers in six million acres of unspoiled wilderness, Denali can keep you mesmerized for days.

INSIDE TIP

Our experts recommend that you take a flightseeing tour in the morning and a river-rafting or other outdoor adventure in the afternoon to maximize your Mt. McKinley viewing experience.

Kluane National Park

TOWERING MOUNTAINS, MASSIVE ICE FIELDS

We've partnered with local experts to create an exclusive array of intimate, guided hikes against a dazzling backdrop of towering peaks and glistening icefields. Kluane, a UNESCO World Heritage Site that preserves unique habitat, is a rare treat for avid explorers with a passion for wildlife and the road less traveled.

Visit part of the Great Land few ever see. Only Holland America Line spotlights this largely undiscovered wilderness on some of its most popular cruisetours. Just a couple hours outside of Whitehorse, one of nature's best-kept secrets unfolds. Here five of the seven tallest peaks in North America rise; diverse flora and fauna abounds; grizzly bear, caribou and Dall sheep roam free; and a rich cultural heritage dating back 10,000 years adds human interest to Kluane's ongoing tale.

Marvel at monumental Mt. Logan. The second-tallest mountain in North America, it stands just 800 feet shy of Mt. McKinley. Wherever you look, there are luminous landscapes that tempt you to lace up your hiking boots. You can raft the wild Tatshenshini River, live your own "big fish" story on Pine Lake, gaze at the Auriol Mountains and the Ruby Range, and capture images in the mirrored waters of Kathleen Lake. This is why you come to Kluane. No crowds, no commercialism, just awe.

Glacier Bay National Park

GLORIOUS GLACIERS, MYSTICAL FJORDS

When an iceberg is born, the sound is like thunder. The impact shoots water hundreds of feet into the air and waves lap gently against your ship. You relish every moment, marveling as the sights and sounds of calving glaciers thrill you again and again. That's the lure of enchanting Glacier Bay, where the most astounding natural forces take center stage.

Glacier Bay has been an irresistible cruise attraction ever since the 1890s. That's when renowned naturalist John Muir first encountered the crown jewel of the Inside Passage and entranced the world with his glowing reports. Here the glories of monumental glaciers are close at hand. Magnificent in repose, they thrill the spectator with thundering cataclysms as towering pinnacles of electric-blue ice tumble into the sea.

Part of the beauty of this wondrous place is that only a limited number of visitors get to see it. There are no roads to Glacier Bay, and entry into this pristine Biosphere Reserve and World Heritage Site is carefully regulated. As the Alaska cruise leader, we are proud to receive the largest number of yearly permits and to be able to share a full day of scenic cruising on more departures than any other cruise line. Yet every time in Glacier Bay is like the first. Come discover primeval nature, perfect and untamed.

INSIDE TIP

Be sure to pack your binoculars and your favorite camera and keep your eyes peeled for eagles, seals and whales.

Holland America Line spotlights glaciers and wildlife

MORE CRUISES TO GLACIER BAY

Holland America Line is the only cruise line to offer Glacier Bay National Park on all three major cruise itineraries — roundtrip from Vancouver or Seattle, or cruising between Vancouver and Seward.

TRAVEL WITH ALASKA EXPERTS

U. S. park rangers will come aboard to share insights into park history, point out wildlife and answer questions throughout your unforgettable day of scenic cruising. And a Huna Totem native speaker will join the ship to impart the legend and lore of this sacred place.

WILDLIFE AND HABITAT

Glaciers of Alaska

ICE AGE RELICS, MODERN-DAY MARVELS

During the Pleistocene Age, Alaska was buried under a mantle of ice thousands of feet thick. Today, 100,000 glaciers remain, cloaking five percent of America's Last Frontier in Ice Age glory. Advancing and retreating tidewater glaciers — a type found in the United States only in Alaska — originate on the flanks of distant mountains. They slowly sculpt the landscape as they grind their way to the sea.

Glaciers of Alaska

INSIDE TIP

Hubbard Glacier is a featured attraction on our 7-day Hubbard Glacier Discovery cruises between Vancouver and Seward and on select Alaskan Explorer cruises roundtrip from Seattle.

Onshore Adventures

To review our great collection of excursions for 2009, just visit us at www.hollandamerica.com and click the "shore excursions" link on the home page. See pages 94–95 for more details.

Hubbard Glacier

From its source on Mount Logan in the Yukon Territory, Hubbard Glacier stretches 76 miles to Disenchantment Bay. It is one of the most brilliant performers in Wrangell-St. Elias, the largest national park in North America and a UNESCO World Heritage Site. A five-mile-long giant that stands 40 stories high, this staggering behemoth has another claim to fame. Called the "Gallop Glacier," Hubbard is one of the continent's most rapidly advancing glaciers. It threatens to turn Russell Fjord into ice-dammed Russell Lake.

Stand in awe before this monumental throwback to the past. Watch for seals basking on ice floes, listen for the loud, deep rumble and wait for the mighty crack and crash. At any moment you could witness a lustrous shaft collapse into ice-choked waters. And you'll arrive via a 150-mile long chain of mountains including the second- and third-tallest peaks in North America. No wonder Hubbard Glacier is one of Alaska's most sought-after cruising experiences.

Tracy Arm

Tracy Arm is a thoroughly beguiling site with so many ways to enchant. It twists and winds its way through 26 miles of mind-blowing scenery. Rugged granite cliffs rising straight from the water's edge are laced with waterfalls, and curiously shaped icebergs make their way to the sea. This enchanted journey culminates in the jewel-like setting of the twin Sawyer Glaciers.

Here your ship will linger as you immerse yourself in glory. Harbor seals bob on icebergs. Kittiwakes and mountain goats are a common sight. Whales and bears may even make an appearance. The narrow fjord of Tracy Arm draws you in for a truly magical and intimate experience.

College Fjord

Only one place in Alaska surrounds you on three sides with flowing rivers of ice. Imagine cruising past one dramatic tidewater glacier after another — an awesome assemblage of icy wonders named after the nation's leading Ivy League colleges. Yale, Bryn Mawr and Vassar line up to starboard and port with Harvard at their head. Linger here for an in-depth lesson in nature's power.

You will be following in the wake of an illustrious group funded by railroad magnate Edward H. Harriman that traveled here in the summer of 1899. This scientific expedition found the greatest density of tidewater glaciers in Alaska — a mother lode of stunning scenery.

INSIDE TIP

The twin Sawyer Glaciers of Tracy Arm are a highlight of selected Friday Alaskan Explorer cruises from Seattle. To experience College Fjord, choose a Sunday Glacier Discovery cruise that also features Glacier Bay National Park.

The Klondike Trail

ECHOES OF THE GOLD RUSH, TALES OF THE TRAIL

The Klondike Trail reveals the gold rush drama of the 1890s — the mountains the Stampeders climbed, the rivers they rode, the boom towns they created and the goldfields they mined. It is a rich tapestry of rugged scenery and action-packed exploits. Holland America Line proudly celebrates the national parks and heritage sites that keep the Klondike era alive.

On Tours 1–6, 27 & 28, receive a Klondike Trail souvenir book produced by the Alaska Natural History Association on behalf of Parks Canada and the National Park Service.

The Last Grand Adventure

With cries of “Gold in the Klondike!” an era unfolded in Alaska and the Yukon that created fortunes and transformed lives. Today, you can seek golden moments in the wild. Explore the towns and trails that played a starring role in the Klondike. Traverse the trackless mountains and bone-chilling rivers that forged personal histories in a land bolder than anything you’ve ever known.

No other cruisetour operator tells the tale of the gold rush like Holland America Line. We travel the Klondike Highway through country once passable only by sled or paddle wheeler. And we glide down the Yukon River on our own luxury sightseeing vessel, the *mv Yukon Queen II*, to show you a region less populated than it was during the 1890s. These quests deepen and enrich your Great Land journey — experiences no rail or history buff should miss.

White Pass to Lake Bennett

Step aboard the nostalgic parlor cars of the White Pass & Yukon Route railroad for an epic journey. Built in 1898, this International Civil Engineering Landmark carries you through terrain “too steep for a Billy goat and too cold for a polar bear” climbing nearly 3,000 feet in just 20 miles and negotiating cliff-hanging turns, tunnels and trestles.

You’ll follow the legendary route of the Klondike Gold Rush. Back in 1897, thousands of Stampeders left Skagway hauling a ton of required goods over White Pass. They made it to Lake Bennett at the head of the Yukon River and, numbering in the thousands, they pitched tents, cut lumber from the virgin forests, and knocked together rudimentary boats for the last leg of their journey.

On tours 3–6, travel along with these rugged adventurers hearing of the hardships, uncertainties and tragedies they faced. Imagine the scene when, after months of waiting, the pack ice broke up and a flotilla of boats set off downriver to challenge the sometimes-roiling rapids of the great river. With a lunch stop and a leisurely-guided walk along the pristine shores of Lake Bennett, your White Pass rail experience is complete.

The Yukon

RIVER OF GOLD, SPIRIT OF THE YUKON

The Yukon is more than a backdrop for 19th-century novels and ballads, more than a setting for the collected tales of trappers, fur traders and prospectors. The Yukon is so vast, so raw and so untamed it dwarfs human history itself. That is the irresistible allure of Yukon travel. With just over 32,000 people in a region bigger than California and a landscape virtually unmarked by city or town, it is easy to escape the turmoil of everyday life.

Dawson City

Dawson City bills itself as a small town with a large history. Hosting the most boisterous collection of prospectors west of Winnipeg and north of Seattle, the town boomed with the influx of nearly 100,000 souls yearning to strike it rich in the Yukon. Jack London arrived as a 21-year-old with a case of gold fever. A replica of his cabin, with the author's famous signature on the back wall, is part of the town's living record. You'll find it easy to turn back the clock as you explore this renowned National Historic Site with local townfolk as your guides. Mine the history of the nearby gold fields, then stake your poke at Diamond Tooth Gertie's Gambling Hall. There is no end to the gold rush flavor of historic Dawson City.

Whitehorse

Whitehorse marks the location of once-treacherous rapids. They dampened the spirits of water-soaked gold seekers who struggled to get their boats through Miles Canyon. Today, the scene is a quieter one. As the territorial headquarters for the Royal Canadian Mounted Police and the capital of Canada's Yukon Territory, Whitehorse has earned its place on the map. If you find yourself with time to explore, on cruisetours 1-10, 27 and 28, be sure to take in the *ss Klondike* National Historic Site. This park evokes the days when riverboats brought virtually all goods and many newcomers into the region. It is the final resting place of the *ss Klondike II*, the largest and last of the great Yukon River sternwheelers.

Today you can follow in their wake, passing First Nations settlements, 1890s gold stakes, and abandoned sternwheelers. Board our own *mv Yukon Queen II* for an exclusive day cruise through 102 miles of unspoiled scenery and local lore. Watch for bear and caribou foraging at the forest's edge. Catch a glimpse of moose wading in the shallows. Glide past rock cliffs where peregrine falcons nest. Disembark in Eagle and take a short walk to the nearby Visitor Center. Here you can learn more about the Yukon-Charley Rivers National Preserve that protects a storied segment of the Yukon River.

Our Best Advice

TAKE YOUR TIME, SEE IT ALL

Cruise through this helpful Question & Answer section for guidance during your vacation planning. We have included a selection of the most frequently asked questions to help you choose the ideal 10- to 20-day cruisetour or the perfect 7-day cruise. They provide an insider's look at Holland America's offerings throughout Alaska and the Yukon with an emphasis on making sure you get the time to do it all.

There are so many cruisetours! How do I sort them out?

THERE ARE REALLY ONLY THREE MAJOR CRUISETOUR COLLECTIONS

Within the three cruisetour collections you'll find options for adding more time at major attractions like Denali and opportunities to visit more remote destinations like Kluane and Tombstone.

• Great Land Klondike

Denali National Park, the Yukon River, Dawson and Tombstone Park, Whitehorse and Kluane National Park, 3 or 4 days of Inside Passage cruising

• Great Land Wilderness

Denali National Park, the scenic Alaska Highway, Whitehorse and Kluane National Park, 3 or 4 days of Inside Passage cruising

• Glacier Discovery

Denali National Park, 7 days of Inside Passage and glacier cruising, with choices that include the Arctic, the Kenai Peninsula and the Yukon

TOURS 1–28 ARE PRESENTED IN PAIRS

Odd-numbered tours travel northbound from Vancouver. Even-numbered tours are the corresponding, or reverse, itinerary. These travel southbound from Anchorage or Fairbanks. **To learn more about our cruisetours, turn to page 40.**

How do I maximize my chances of seeing wildlife?

In a landscape this immense, marine and land mammals don't always appear on cue. To increase your chances, visit as many stunning wilderness parks as possible. Then, while you are in these legendary places, be sure to include a special wildlife tour. The Denali Tundra Wilderness Tour, for example, takes you into moose, caribou, grizzly, Dall sheep and wolf habitat.

Travel in Alaska covers a lot of territory. How do I pace myself?

Look for cruisetours with **two-night stays** in important destinations. Consider **traveling northbound** from Vancouver and easing into your vacation with a shorter air trip and a relaxing day at sea. As your adventure unfolds, you'll have more energy to take advantage of the exciting range of activities.

I'm always looking for a great value. Any suggestions?

Choose a longer tour for greater value. Compare costs and you'll see that extra days deliver more enjoyment for little expense. And you can select a northbound tour from Vancouver to save money.

Who can help me if I need assistance on my cruisetour?

Most of our cruisetours include the services of a Tour Director. And the Holland America team—hotel staff, hosts, driver/guides and railcar managers—are always on hand.

There are over 150 cruises! What are the important differences?

Let us help by outlining our three 7-day cruise categories:

• Alaskan Explorer

Cruise roundtrip from Seattle to Glacier Bay, Hubbard Glacier or Tracy Arm. Plus the ports of Juneau, Sitka, Ketchikan and Victoria, B.C.

• Glacier Bay Inside Passage

Sail roundtrip from Vancouver to Glacier Bay, Juneau, Skagway and Ketchikan.

• Glacier Discovery

Cruise one way between Vancouver and Seward (for Anchorage) to Glacier Bay and College Fjord or Hubbard Glacier. Visit ports like Sitka, Haines, Juneau and more.

How do I choose a stateroom?

Our inside and outside staterooms are the largest in Alaska. And while all our ships offer a choice of private verandah rooms, our Vista-class ships offer the best selection.

Which scenic glacier experience should I choose?

Each glacier landscape is inspiring. Each one has its own appeal.

• Glacier Bay National Park & College Fjord

Our Sunday Glacier Discovery sailings offer two glacier landscapes for a more diverse experience. The full-day Glacier Bay experience is available on all three cruise routes.

• Hubbard Glacier

No single glacier offers a better glimpse of nature's power. A half day of cruising is included on Saturday Alaskan Explorer and Friday Glacier Discovery cruises.

• Tracy Arm

This long, narrow fjord capped by the Sawyer Glaciers is more intimate than other glacier sites. It is offered on Inside Passage cruises roundtrip from Vancouver and select Friday Alaskan Explorer cruises.

Is there an easy way to find and book optional excursions?

You'll find destination and excursion detail in this brochure and at www.hollandamerica.com.

And our “Double Denali” itineraries are thoughtfully designed to let you truly relax at your lodge for less time packing and unpacking and more time basking in Denali hospitality.

Sip an espresso by the fire, revel in dazzling Nenana River views, dine in the eatery that suits your mood, browse wildlife exhibits and shop to your heart’s content. The new Denali Visitor Center, just a shuttle ride away, educates and entertains with exhibits, movies and park ranger programs. Or for a different view of Denali lore, gather ’round the table for a tasty barbecue and rollicking musical revue at Cabin Nite.

Arctic Circle and the Midnight Sun

ABOVE AND BEYOND, NUMBER ONE WILDLIFE TOUR

Escape the ordinary on a thrilling Far North adventure. You'll experience unsurpassed wildlife viewing where celebrated caribou herds migrate through mountain passes to give birth at the edge of the sea. This itinerary will meet and exceed Your Personal Wilderness criteria and earn top bragging rights for those who won't settle for anything less than extreme adventure.

This untouched, untamed world lies far beyond anything you could envision in your everyday world. Hundreds of miles beyond the expected, this journey ranks among the world's most exciting and privileged adventures. Few travel this road each season, and few return unchanged.

Your route starts on the shores of the Arctic Ocean. Traveling southbound, you'll cross the scenic headland of the ancient Brooks Range at the Continental Divide. Continuing on past Gates of the Arctic National Park, a magnificent wilderness four times the size of Yellowstone, you'll sightsee through some of the best wildlife-viewing areas in Alaska with just one group of fellow explorers.

Crossing the Arctic Circle and stopping for lunch along the legendary Yukon River are just a few of the highlights that will remain with you for years to come as you wander through the Land of the Midnight Sun.

Encircled by the Arctic

Unique experiences await you in this extraordinary Arctic world.

ARCTIC CIRCLE CLUB

You'll stop at the famed Arctic Circle sign for a souvenir photo and official Arctic Circle Club Certificate.

ARCTIC CARIBOU HERDS

The Arctic National Wildlife Refuge is home to the famed Porcupine caribou herd. These large mammals migrate from their wintering grounds with new calves in tow, and you may encounter groups of caribou foraging along their South Brooks Range route.

MIDNIGHT SUN

As the earth orbits around the sun, its tilt makes the north pole face towards the sun in summer, keeping it in sunlight as the earth spins — even at midnight — throughout most of the summer season.

ARCTIC OCEAN

A "toe-dip" in the Arctic Ocean — the smallest of the world's five oceans and the shallowest — is unforgettable.

ABOVE

Caribou migrate through the Brooks Range to the Arctic Plain each summer.

LEFT

Kenai: Where Alaskans Go to Vacation

LAND'S END, ENDLESS WONDER

Homer, located on the pristine waters of Kachemak Bay and Cook Inlet, boasts a unique landform the locals call "The Spit." Fifteen thousand years ago, the thick ice that covered the bay bull-dozed a five-mile-long gravel bar into the surrounding waters. When the ice retreated, the bar remained. Today, it hosts a picturesque setting where visitors can stroll and shop.

It's easy to see why the Kenai Peninsula is a favorite even among Alaskans. The lush, primeval forests host legendary rivers running with salmon. The glistening waters of glacier-scoured Kenai Fjords National Park are home to whales, dolphins, sea lions and sea otters. The Alaska Maritime Wildlife Refuge and Kenai Wildlife Refuge provide more seabird habitat than anywhere else in the world. Imagine exploring these wonders on an optional wildlife cruise through Kachemak Bay with lunch at the Rookery Restaurant. Or try kayaking or halibut fishing.

This exciting Homer and Kenai Peninsula cruisetour takes you far off the beaten track with just one group of fellow travelers. Experience the enchanting Land's End Resort at the tip of the Homer Spit, the second-longest spit of sand in the world, and stay at charming Cooper Landing on the famed salmon-filled Kenai River. The optional activities from Homer spotlight the world-class halibut fishing, the charm of the local artists' colony, and more natural beauty than almost anywhere else in Alaska. Come experience the best of Alaska all in one place, only with Holland America Line.

Authentic Alaskan treasures

A Kenai Peninsula/Alaska experience encompasses the very best of all that the Great Land has to offer. To come here is to understand why founding pioneers never left and why visitors want to stay. For the perfect memento of your trip, nothing captures the spirit of the land better than artwork or a traditional Native Alaskan handicraft created by a local artisan. And the Kenai Peninsula, with its large population of artists, is a great place to shop for a uniquely Alaskan souvenir:

- Gold-nugget jewelry and items carved from jade
- Woven baskets of beach grass, bark or baleen
- Native seal-oil candles, beaded mittens, fur mukluks and hand-carved masks
- Alaskan delicacies — canned and smoked salmon, wild berry products and reindeer sausage

Be sure to look for the "Made in Alaska" logo, which indicates an item genuinely produced in Alaska. The Silver Hand logo identifies the item as a Native Alaskan handicraft.

Natural wonders, architectural wonders, technical wonders: what they have in common is the ability to inspire awe. To the "Seven Wonders of the World" we add our own nominations — such as the epic White Pass & Yukon Route Railroad adventure — based on our decades of leadership in global travel and our own passion for travel's inherent marvels.

To help you enjoy an extraordinary vacation, here are the answers to the questions we are most frequently asked. Many more are addressed in a Traveler's Handbook which will arrive with your travel documents. Or click "Booked Guests" on our website.

How much time do I need to allow for embarking and disembarking?

For arrivals and departures in all ports of (dis)embarkation, it is recommended that those guests not purchasing Holland America's Fly Cruise and Tour Plan allow adequate time for transfer between the airport and pier, customs inspections and airport security checks as noted below.

PORT CITY	ARRIVAL	DEPARTURE
Anchorage	5 hours	5 hours
Vancouver	3 hours	3 hours
Seattle	3 hours	3½ hours

Cost of Anchorage, Vancouver or Seattle overnight, due to airline schedules, is at guests' expense.

How do I obtain airport transfers if I don't participate in your Fly Cruise Plan?

To provide Anchorage or Fairbanks airport transfers for cruisetour guests not participating in our Fly Cruise Plan, our Seattle office MUST be advised of their arriving or departing airline and flight numbers: fax 1-800-628-4855 at least 14 days prior to departure. Transfers operate from airport to hotel from 10:00AM to 10:00PM.

When may I embark the ship?

The *ms Veendam*, *ms Volendam*, *ms Zuiderdam*, *ms Statendam* and *ms Ryndam* depart Vancouver, B. C., at Canada Place, located at the foot of Burrard Street, at 5:00PM. Embarkation commences at NOON. Guests are required to be on board at least one hour prior to sailing time.

For guests sailing on the *ms Statendam*, *ms Ryndam* or *ms Veendam* from/ to Seward, transfer service between Anchorage and Seward is available at a rate of US\$72 per person. Guests may check in at the Egan Convention Center at 555 W. 5th Avenue in Anchorage on day of sailing between 8:00AM and NOON.

The *ms Amsterdam*, *ms Westerdam* and *ms Zaandam* depart from Terminal 91, Seattle at 4:00PM. Embarkation commences at 11:30AM. Guests are required to be on board one hour prior to sailing time.

How can I host a bon voyage party?

For security reasons, Holland America Line has implemented a "no visitors" policy and regrets any disappointment this may cause. However, family and friends wishing you bon voyage may send a gift directly to your stateroom by calling Ship Services at 1-800-541-1576. You may host a party for fellow cruise guests, ordering champagne, canapés and cocktail set-ups delivered to your stateroom beforehand via your travel professional or by calling Onboard Event Services at 1-877-885-4259.

How do I make Dining Room reservations?

Holland America Line's As You Wish™ dining program is all about flexibility and freedom. Whether you prefer a five-course dinner in the main Dining Room, a quick casual bite in the Lido before a show, or an intimate evening in our Pinnacle Grill, the choice is yours each day. For reservations in the main Dining Room, you may indicate at booking whether you would prefer a traditional pre-set seating and dining time or the freedom each day to choose the time that suits you. Guests who opt for the latter may make reservations daily during their cruise up to 4:00PM, or simply arrive in the Dining Room any time during dining hours, for accommodation by the Dining Room Manager.

NORMAL MEAL HOURS— MAIN DINING ROOM

Breakfast	Open seating	8:00AM
Lunch	Open seating	12:00PM
Dinner	Early sitting	5:45PM
	Main sitting	8:00PM
	Open seating	5:15PM–9:00PM

The Pinnacle Grill

Our intimate Pinnacle Grill restaurant — a delicious alternative to the main Dining Room — is very popular. We recommend you make reservations early in your cruise or in advance, through Holland America's Ship Services Department. Please note that there is a nominal fee when dining at the Pinnacle Grill.

Can you accommodate special diets?

We make every effort to assist special dietary requests, including vegetarian, fat-free, sugar- or salt-free, if advised at time of booking. Kosher, * gluten-free or special medical diets must be pre-ordered a minimum of 90 days prior to sailing.

*Kosher meals are prepared off the ship in a kosher kitchen, frozen and brought to the table sealed in their original containers. There is no kosher kitchen on board.

What provisions for children are made on board?

For infants, Holland America Line provides baby food, diapers, high chairs, booster chairs and cribs upon special request (30 days notice) via your travel professional or by calling Ship Services at 1-800-541-1576. Please note: There is a nominal fee for these items. For our younger guests, Holland America's Club HAL® program offers fully supervised activities, games, parties, menus and shore activities — broken out by ages 3–7, 8–12, and teens 13–17.

Are excursions available?

Fishing for salmon, walking on a glacier and flightseeing are only a few of the many exciting excursions offered in most ports. You can pre-purchase excursions or make your arrangements when you board your ship. Your ambition dictates your agenda. We encourage you to book prior to sailing to avoid disappointment.

How do I arrange excursions?

The wide range of excursions Holland America Line offers may be previewed on our website at www.hollandamerica.com or in the excursion booklet included with your documents. You may also pre-purchase tours of your choice online or make

arrangements with our Shore Excursion department once on board or with your Tour Director on your cruisetour.

How do I pay for shipboard purchases?

Holland America ships sail with the tradition of a "cashless society." Simply provide the Front Desk with your credit card at the beginning of your voyage, sign for your purchases, then settle your account with one convenient transaction at the end. Payment is accepted with American Express®, VISA®, MasterCard®, Discover® card, cash or travelers' checks.

How can I be reached at sea?

You may easily make and receive calls in the privacy of your stateroom using our satellite communication telephones. Your documentation packet will contain detailed information, including the phone number for your ship at each specific location.

What provisions for single travelers are made on board?

Take advantage of our Single Partners Share Program whereby you may share a stateroom with another non-smoking guest of the same sex and pay only the per-person double occupancy rate — even if we are unable to find a partner for you.

What's Included:

- Breakfast: entrée from menu (or buffet, if available), coffee or tea and gratuity

The McKinley Explorer® railcars are pulled behind the Alaska Railroad passenger train. Although scheduled times are published for the Alaska Railroad trains, track conditions and other rail traffic may result in significant variations from the published schedule. Holland America Line has no control over this schedule, and meal times will be adjusted accordingly.

During the early and late seasons, due to Denali National Park service guidelines, the Tundra Wilderness Tour may be substituted with a 5- to 6-hour Teklanika Tour.

HOLLAND AMERICA LINE CANCELLATION PROTECTION PLANS

Four reasons ours is the best protection in the industry

1 YOU CAN CANCEL FOR ANY REASON.

Even if it's up to 24 hours before departure. For any reason whatsoever, your reservation may be cancelled with ease.

2 YOU GET MONEY BACK.

Regardless of your reason for cancelling. Only Holland America Line refunds 80–90% of refundable fees, FOR ANY REASON, as long as you cancel more than 24 hours prior to departure.

3 SAME PRICE FOR ALL AGES.

We offer the same excellent protection for everyone, at the same cost.

4 COVERAGE FOR PRE-EXISTING CONDITIONS.

Our Platinum Plan covers pre-existing conditions without exclusions or “time limits.”

A small price for peace of mind

Holland America's Cancellation Protection Plan (CPP) is designed to protect your vacation investment from loss — no matter what. And like other plans that protect things of great value, it's a small price to pay for peace of mind. Be it illness, family matters, unforeseen work events — anything, CPP is your assurance that your vacation can be cancelled for any reason for a refund.

Our Standard and Platinum plans at a glance

Unforeseen events do happen, which is why Holland America Line is pleased to offer the best trip cancellation protection in the industry.

CPP STANDARD

CPP Standard allows you to cancel for any reason up to 24 hours prior to the cruise/cruisetour departure and receive a refund equal to 80% of the applicable cancellation fee. Plus, Holland America Line assumes us\$500 of liability for lost, damaged or delayed baggage. Please note: The CPP Standard Plan is not insurance; for that, guests rely on the Platinum Plan.

CPP PLATINUM

Our Platinum Cancellation Protection Plan enables you to supplement the CPP Standard Plan with insurance coverage and travel assistance services. You may cancel for any reason up to 24 hours prior to departure and receive a 90% refund of the applicable cancellation fee. In addition, you will receive:

- **Pre-departure trip cancellation within 24 hours of departure** Cancel for any covered reason within the 24 hours prior to the scheduled departure and receive reimbursement for the unused arrangements of the cruise or cruisetour portion of travel
- **Trip interruption protection** Covers the unused arrangements of your travel and additional traveling expenses to return home, up to 150% of the cruise/ cruisetour cost
- **Trip delay coverage** Reimbursement for accommodation and traveling expenses if your trip is delayed more than 12 hours
- **Emergency medical expense** You will be reimbursed up to us\$10,000 in covered medical expenses for any illness or injury first occurring during your trip. In addition, necessary expenses of up to us\$50,000 for emergency medical evacuation are covered. These are benefits that Medicare and many private insurance plans may not offer, and they are highly recommended for foreign travel
- **24-hour emergency hotline assistance** Provides 'round-the-clock help worldwide for legal or medical referrals, lost travel documents, cash transfer or passport assistance

Rest assured: answers to frequent questions

If something comes up and I have to cancel, am I covered?

Absolutely. You can cancel for any reason whatsoever up to 24 hours prior to departure. What's more, you'll get a refund. Other programs won't give you any cancellation fees back for this type of situation because it is not a “covered” claim.

Are my airfare and pre- and post-packages covered as well?

Yes. If you purchased Holland America Line's Fly Cruise Plan and/or our pre-/post-packages, you'll get 80% (90% with Platinum Plan) of your air and package cancellation fees refunded when cancelling up to 24 hours prior to departure.

If an emergency occurs during our trip, will I be able to see a doctor who speaks English?

If you have chosen the Platinum Plan, you'll have access to a 24-hour hotline whose staff

will refer you to qualified local doctors who speak your language.

I have a history of back trouble. What if my back goes out on the trip and we have to cut it short?

Under the Platinum Plan there is no exclusion for pre-existing conditions. Compare that to other plans with long “wait” periods applying to pre-existing conditions.

Does the Platinum Plan cover me if I am injured on shore?

Absolutely! You'll be reimbursed up to us\$10,000 for covered emergency medical, surgical and dental care should you become sick or are accidentally injured while traveling.

Cancellation Protection Plan and Additional Baggage Protection

CPP STANDARD PLAN

Our Standard Cancellation Protection Plan (CPP Standard Plan) will allow you, for any reason, to provide written cancellation up to 24 hours prior to scheduled cruise or cruisetour departure and receive a refund equal to 80% of the applicable cancellation fee (90% if you purchased our CPP Platinum Plan). In addition, Holland America Line (HAL) automatically assumes an additional us\$500 of liability for lost, damaged or delayed baggage of guests who purchase the CPP Standard Plan, still subject, however, to the limitations in our baggage policies. For example, we do not cover losses while baggage is in the custody of airlines. The baggage policies of HAL are explained in detail on page 127 in this brochure.

The CPP Standard Plan is not insurance; it provides no rights other than those explained above. For example, it does not protect double-triple-quad occupancy rates should one or more members of your party cancel, nor does it cover expenses or unused services due to trip interruption.

CPP PLATINUM PLAN

Our Platinum Cancellation Protection Plan (CPP Platinum Plan) enables you to supplement the CPP Standard Plan with insurance coverage and travel assistance services as well as increase your refund amount to 90% for cancellations made more than 24 hours prior to departure. The CPP Platinum Plan provides you with the following insurance benefits and services, in addition to the CPP Standard Plan benefits and larger refund:

- Trip Cancellation coverage provides protection if you or a traveling companion must cancel for a covered reason during the 24 hours prior to scheduled departure. The plan reimburses your non-refundable cancellation charges or increased occupancy charges (if a traveling companion cancels) imposed by HAL.

Fares and plan costs above are in U.S. currency. If your cruise fare is paid in Canadian currency, the plan cost will be payable in Canadian currency based upon the exchange rate used for your booking. Actual plan cost will be confirmed in Canadian currency at time of booking.

The Standard and Platinum Cancellation Protection Plans are optional, must be purchased at the time of deposit and the costs are non-refundable. Trip cancellation protection is effective for any reason up to 24 hours prior to departure under the Standard and Platinum Plans. The Platinum Plan additionally offers cancellation protection for covered reasons within 24 hours prior to departure. All other benefits of the Platinum Plan are effective upon departure of your trip.

Standard Cancellation Protection Plan does not incorporate any insurance coverage. The sole benefit is to provide Trip Cancellation protection up to 24 hours prior to departure for the individual guest purchasing the plan.

• Trip Interruption coverage provides protection if your trip is interrupted after departure due to a covered reason. The plan reimburses your unused (determined in the case of your cruise or cruisetour on a pro rata basis), non-refundable land or sea expenses prepaid to HAL, airfare paid to return home and certain additional expenses up to us\$100/day. Maximum benefit is 150% of your cruise/cruisetour cost.

• Trip Delay coverage provides reimbursement for reasonable additional accommodation and traveling expenses incurred to rejoin the trip in progress when you are delayed for more than 12 hours, due to covered reasons. Maximum benefit is us\$1,000; not to exceed us\$100/day.

• Emergency Evacuation coverage will pay the necessary costs of transportation, medical services and medical supplies if, due to a covered medical reason, you must be transported to medical facilities during your cruise or cruisetour. Maximum benefit is us\$50,000.

• Medical Expense coverage reimburses up to us\$10,000 for medical and emergency dental expenses incurred as a result of an injury or sickness that first manifests itself during your cruise or cruisetour.

• You will also receive the following 24-Hour Emergency Hotline Assistance Services, arranged by the CPP Platinum Plan administrator's designated provider: Emergency Cash Transfer Assistance, Medical Consultation and Monitoring, Emergency Legal Assistance, Emergency Medical and Dental Assistance, Lost Travel Document Assistance and Emergency Medical Payment Assistance.

There are no pre-existing condition limitations in the CPP Platinum Plan!

Important note: This is a summary of coverage. Please refer to the Description of 24-Hour Emergency Hotline Services and Certificate of Insurance available from Holland America Line which contains the details of assistance services and insurance coverage, terms, conditions, exclusions and other applicable limitations. The CPP Platinum Plan is only available for U.S. and Canadian residents. The CPP Standard and CPP Platinum Plans are optional, must be paid at time of deposit and are non-refundable. The per-person, per-cruise costs for both plans are listed at left.

The insurance coverage provided under the CPP Platinum Plan is underwritten by Virginia Surety Company, Inc., under policy #HTP04915 and the CPP Platinum Plan is administered by BerkelyCare, a division of Affinity Insurance Services, Inc., and, in CA: AIS Affinity Insurance Agency, Inc. also d/b/a Aon Direct Insurance Administrators, License #0795465. The program provides limited health insurance benefits and does not provide basic hospital, basic medical or major medical insurance as defined by the NY State Insurance Department. The CPP Standard Plan is not insurance and is administered by Holland America Line Inc.

Air Rates/Air Taxes/Fees

Air rates will be quoted and are subject to change until the booking is paid in full. Quoted rates do not include Passenger Facility Charges (US\$3–27), Canadian airport improvement fees (up to a maximum of US\$56), federal flight segment fees for each flight segment (takeoff and landing) of US\$3.50, the September 11 Security Fee of US\$2.50 per passenger enplanement (up to a maximum of US\$10) and international arrival and departure taxes (US\$3–60).

AirPlus Service®

AirPlus Service is available for Fly Cruise guests who wish to customize their air travel. Popular options include:

- Scheduling your travel to allow for an extended stay either before or after your cruise
- Upgrading to First or Business Class, subject to availability
- Choosing preferred airlines to gain credit for mileage programs, or because your plans require a certain flight or particular time
- Designating a different gateway city than the one closest to home
- Requesting stopovers on your way to or from the ship

Written requests should be faxed to AirPlus Service at (206) 298-3008 or mailed to:

Holland America Line Inc.
Attn: AirPlus Service
300 Elliott Avenue West
Seattle, WA 98119

Requests should be submitted prior to final payment in order to assure proper consideration. All requests are subject to availability and are not guaranteed. If confirmation is possible, a US\$50 non-refundable service charge and additional airline costs incurred will be assessed. A service charge will be assessed for each additional request that is confirmed.

Book Early

The availability of the air rates that we have arranged may be limited. Therefore, it is advantageous for you to book your vacation as early as possible. We reserve the right to limit or close sales from cities without notice.

Liability and Relation with Airlines

We reserve the right to use the carriers, routing and fare structure of our choice, and to utilize commuter and/or charter air service without prior notice. As the air rates we use are based on capacity-controlled, promotional and group fares, we may limit or close sales without prior notice at any time. If, due to any cause beyond our control, we are unable to arrange for air travel or the air travel we arrange is unavailable or otherwise fails to materialize, our liability will be limited to refunding the air add-on amount paid to us. We assume no liability for any acts or omissions of any airline, including, without limitation, those involving cancellation of flights, schedule changes, re-routings, damage to or delay or loss of baggage, flight delays, equipment failures, accidents, pilot or other staff shortages, overbooking or computer errors. The liabilities and obligations of an airline to you, and your rights against an airline, are subject to any and all terms and conditions of the airline's ticket and tariffs.

Seat Assignments/Special Requests

We cannot confirm seat assignment requests or requests for special meals or other special services not mentioned in this brochure. Your travel professional may assist with these arrangements once you receive your tickets. Some airlines or charter operators may not offer advance seat assignments. Guests traveling with other guests who originate from different cities or who request the Fly Cruise Plan at a later time may not receive routing on the same flights.

Air Schedule Changes

Due to late changes by airlines in their schedules, we recommend a phone call to your airline to reconfirm your flights just prior to travel. If airlines change their schedules after tickets are issued, we will adjust your itinerary or air carrier accordingly.

Air Changes/Refunds

Changes to existing reservations initiated by guests will result in a minimum rescheduling charge of US\$100 per guest if the changes are made after the final payment due date. Airline tickets are based on fares which are highly restrictive and often cannot be reissued or exchanged for another carrier or routing.

The maximum refund for unused air tickets will not exceed the air add-on paid to us. There are no partial refunds. Due to changing airline tariffs, your tickets may reflect fares higher or lower than our air add-on amounts. The difference is neither chargeable nor refundable.

Baggage

Baggage allowance is governed by airline regulations. Excess baggage charges are the responsibility of the passenger. We assume no responsibility for loss, damage or delay while baggage is in the custody of airlines.

Overnight Hotel Accommodations

It may be necessary to overnight guests en route to or from their cruise due to airline schedules and/or availability. If necessary, the cost of hotel accommodations is not included in the air add-on amounts. Hotels will be selected by Holland America Line and may not be at the port of (dis)embarkation. Guests are responsible for hotel accommodations, meals and items of a personal nature.

An overnight in Anchorage is required for guests who disembark in Seward and are destined to points east of the Rockies on day of disembarkation.

For some packages, Fly Cruise guests may incur an additional air supplement due to a stopover.

Transfers

Transfers may be purchased from the port city airport to the ship and from the ship to the port city airport on day of embarkation and disembarkation only; and between airport to hotel and hotel to airport in Anchorage and Fairbanks. Transfers are available to Fly Cruise guests and to guests who have independent flight plans.

Express motor coach service between Seattle and the pier in Vancouver may be substituted for air.

Transfers are available between Seward and Anchorage connecting to and from Holland America Line ships. This three-hour scenic excursion is US\$72 per person by motor coach or US\$120 per person by Alaska Cruisetrain. See page 96 for more information.

Cruise-only Guests

We recommend that guests who make independent travel arrangements schedule a minimum of 3–5 hours both at the beginning and end of their cruise to allow for transfers, customs clearance and airport security checks.

Guests with independent flight arrangements must advise Holland America Line of their flight information at least 14 days prior to departure via fax to 1-800-628-4855.

Note: If you purchase air transportation independently from Holland America Line, you will be responsible for any and all expenses incurred when joining the vessel in progress.

Hotels

The best available hotels are used throughout each tour. Holland America Line reserves the right to substitute hotels of similar category. Single rooms at a supplementary charge may be requested at most points. Triple rooms, when available, may contain either two beds and a rollaway or two double beds.

THE HOLLAND AMERICA MISSION

Our corporate mission is as simple as it is bold:

Through excellence we create once-in-a-lifetime experiences, every time.

Reservations

Travel agencies provide valuable service and counseling to prospective travelers. We encourage you to make your Holland America reservations with a travel professional. Travel agencies are not owned or controlled by Holland America Line. Your deposits and payments for Holland America's services are to be paid to the travel agency with which you made your reservations. Since accommodations are limited by the number of staterooms on each ship, reservations should be made as early as possible. Travel documents will be issued only if and when full payment has been received by Holland America Line from the travel agency. Refunds for cancelled or unused services will normally be made to the same travel agency on the basis of the amount actually received by Holland America Line less any applicable cancellation fees and charges. You are responsible for obtaining from your travel agency monies either retained by the agency or received by the agency from Holland America Line. For further information visit our website at www.hollandamerica.com or call 1-877-SAIL HAL. Guests under 21 years of age must be accompanied by a parent, guardian or chaperone who is at least 25 years old; one adult chaperone is required for every five people under age 21.

Deposit and Final Payment Requirements

The per-person, per-cruise deposit requirements to secure reservations are listed with the cruise prices, and Cancellation Protection Plan costs are on page 123.

A deposit is required at time of cruise booking. Cancellation Protection Plan, if desired, must be paid for at time of deposit; see Cancellation Protection Plan and Additional Baggage Protection for details on page 123.

Final payment is due 75 days (Cancellation Policy A) or 90 days (Cancellation Policy B and C) prior to departure. In most cases, we are able to provide you with travel documents, including your cruise contract, approximately 30 days prior to departure. Travel documents, however, are issued only after final payment has been received by Holland America Line.

Travel professionals should make checks payable and send to:

Holland America Line Paymaster Corporation
P.O. Box C34013
Seattle, WA 98124-1013
U.S.A.

Payment by American Express®, VISA®, MasterCard® or Discover® Card is also accepted.

For faster processing, please include a confirmation number on your check. Travel professionals please note that MCOs will not be accepted.

Upgrade Policy

Holland America Line reserves the right to upgrade a guest or guests to more expensive category accommodations at no additional cost.

Change Charges

To cover administrative costs, a per-person charge will be made if you request a change in your travel arrangements after the final payment

due date. Change charges are not assessed for stateroom upgrades or for the addition of services, unless air reservations are altered and/or travel documents must be reissued.

Cancellation Policy

A full refund (except for amounts paid for CPP) will be made for written cancellations received by Holland America Line, 300 Elliott Avenue West, Seattle, WA 98119 in accordance with the following Cancellation Policies. Please refer to the cruise fare pages of the appropriate Holland America Line brochure for the Cancellation Policy applicable to your cruise prior to the date on which you are to commence travel by air, rail, sea or otherwise. Cancellation fees apply to the entire cruise booking, including cruise fare, non-discountable amounts, air add-ons, ground transfers, pre-cruise and post-cruise hotel and tour packages. Guests who cancel within the dates shown below for any reason, including medical or family reasons, are subject to the following per-person cancellation fees:

CANCELLATION POLICY A

75–57 days before commencing travel: an amount equal to deposit requirement;

56–29 days before commencing travel: 50% of gross fare;

28–16 days before commencing travel: 75% of gross fare;

15 days or less before commencing travel: 100% of gross fare.

CANCELLATION POLICY B

90–64 days before commencing travel: an amount equal to deposit requirement;

63–43 days before commencing travel: 50% of gross fare;

42–22 days before commencing travel: 75% of gross fare;

21 days or less before commencing travel: 100% of gross fare.

CANCELLATION POLICY C

120–91 days before commencing travel: an amount equal to deposit requirement;

90–76 days before commencing travel: 60% of gross fare;

75 days or less before commencing travel: 100% of gross fare;

Given that the resale of cancelled space will likely result in a lost opportunity to sell other space, these fees are due regardless of resale. Fees incurred as a result of cancellation cannot be applied to future bookings. Travel professionals may impose their own cancellation fees. Agency fees of any nature are a matter to be decided on solely by the agency and guests. This policy applies to the cruise fare (including non-discountable amounts), air add-ons, pre-cruise and post-cruise package charges, and transfers.

Cruise contracts are nontransferable. Name changes and departure date changes are considered reservation cancellations and are subject to cancellation fees.

Cruise Fares

Traveling with Holland America Line is one of the best vacation values around. Your cruise

fare includes accommodations aboard an elegant Holland America cruise ship, most meals and entertainment on board ship. Not included are items of a personal nature or optional programs or optional activities, such as alcoholic beverages, soft drinks, laundry and dry cleaning, shore excursions, medical, barber and beauty shop services. All fares are per person in U.S. dollars.

Hotel Service Charge

Our crew works very hard to make sure that every aspect of your cruise meets the highest standards. This includes those crewmembers who serve you directly, such as dining room wait staff and the stewards who service your stateroom each day. There are also many others who support their efforts whom you may never meet, such as galley and laundry staff. To ensure that the efforts of all of our crewmembers are recognized and rewarded, a Hotel Service Charge of US\$10 per guest is automatically added to each guest's shipboard account on a daily basis. If our service exceeds or fails to meet your expectations, you are free to adjust this amount at the end of the cruise. The Hotel Service Charge is paid entirely to Holland America Line crewmembers, and represents an important part of their compensation. A 15% service charge is automatically added to bar charges and dining room wine purchases.

In terminals, airports, ports of call and on shore excursions, we suggest that you extend gratuities consistent with customary local practices.

Fares, Non-discountable Amounts, Taxes and Surcharges

Holland America Line reserves the right not to honor any published prices that it determines were erroneous due to printing, electronic or clerical error. Each cruise fare includes a "Non-Discountable Amount." That portion of the fare is neither commissionable to travel professionals nor subject to reduction in the event of a percentage discount promotion, 2-for-1 promotion or otherwise. Fares quoted in this brochure are those in effect at the time of printing. If cost factors dictate the need for fare increases, Holland America Line may do so at any time prior to departure. Guests can cancel (without paying a cancellation fee) rather than accept a fare increase. This right does not apply to increases in Taxes or to surcharges, as described below. In addition to your cruise fare, you will also be charged an amount for Taxes. That term, as used by Holland America Line, refers to certain taxes, fees and charges imposed by governmental or quasi-governmental authorities, including port authorities and operators, relating to any aspect of your cruise or tour. If governmental action results in any element of Taxes exceeding the estimates used by Holland America Line for purposes of computing the quoted amount, we reserve the right to pass through the extra amount. Similarly, Holland America Line reserves the right to impose or pass through fuel supplements and surcharges, security surcharges or similar incidental surcharges. No right of cancellation exists under either of these circumstances. **At the time of printing, a fuel supplement of \$7 per guest per day for stateroom guests 1–2 (\$2 per guest per day for stateroom guests 3–4) is being assessed on each booking. This amount is subject to change, so please consult our website for current information.**

Guests with Disabilities

We do not discriminate against persons on the basis of disability. We seek, to the extent feasible, to accommodate the needs of persons with disabilities. We have a limited number of staterooms designed for wheelchair access. Service animals are permitted on board ships if prior arrangements have been made. Certain land and shore facilities may not be fully accessible to persons with disabilities. While Holland America Line endeavors to contract with companies which provide accessible services and facilities, we cannot guarantee that all services and facilities will be fully accessible. It is essential that we be notified of any special medical, physical, or other requirements you may have (including whether you intend to bring a scooter with you) as soon as possible, preferably at the time of booking, so that we may make our best effort to accommodate you. Guests who are unable to care for their own basic needs (e.g. dressing, eating, and attending safety drills) MUST have a capable traveling companion. In limited situations (either on board or ashore), we may find it necessary to ask an individual to make alternative travel arrangements, such as if an individual with a disability is unable to satisfy certain specified safety and other criteria, even when provided with appropriate auxiliary aids and services. The medical staff on board is not available for daily care unless an individual is hospitalized in the ship's Medical Center. Please contact our Access and Compliance Department via e-mail at halw_access@hollandamerica.com, via fax at 1-800-577-1731 or via TTY at 1-800-254-8669.

Medical Services/Infants/ Pregnancy

Each of our ships is equipped with limited medical facilities that are staffed by a physician and registered nurses. The physician is an independent contractor. There will be a fee charged for all medical services and medications obtained on board. If you become ill during the cruise and the physician is unable to care for your needs on board, you will be transferred to medical facilities on shore. If your condition will require that you have special medical apparatus or assistance on board, we must be made aware of that at time of booking in order to determine whether we can accommodate your needs. If you are using prescription drugs, please bring an adequate supply with you and keep them in your carry-on luggage. We will not accept reservations for infants 6 months or younger for non-transocean sailings, 12 months or younger for transocean sailings at time cruise commences or women who will be 24 or more weeks pregnant at the time their cruise with Holland America Line concludes.

Passports/Visas/Immunizations

All guests must carry their valid passports. In addition, certain countries may require entry visas. We strongly recommend carrying a passport that is valid for at least six months beyond the completion date of your travel, as this is required by some countries. **You are responsible for securing proper documentation for the countries visited on your cruise or land tour.** Boarding may be denied or fines may be levied against those guests without proper documentation. Payment of any fines levied is the responsibility of the individual guest. Information on visas may be obtained by contacting Zierer Visa Service at 1-866-788-1100 or sending an e-mail to info@zvs.com. Non-U.S. citizens who have previously been

admitted to the United States for permanent residence must carry their Permanent Resident Card (Form I-551), commonly known as a Green Card. Please note that some countries have special requirements for minors (under age 18) who are not traveling with both parents. Please discuss this with your travel professional.

If you are a non-U.S. citizen, you may be required to hold a Canadian visa. Guests are not allowed to remain on board while in a Canadian port without proper documentation. U.S. citizens are NOT required to obtain a Canadian visa. To verify if your nationality requires a Canadian visa, please visit the Canadian government website at: <http://www.cic.gc.ca/english/visit/visas.asp>.

Furthermore, visiting certain countries may require that you be inoculated prior to leaving the U.S. Please check with a travel medicine specialist or local health department for specific recommendations and/or requirements.

Baggage Policy

Holland America Line will carry as baggage only your personal effects for your wearing, comfort or convenience during your travel with Holland America Line. Your baggage needs to be placed in securely constructed and locked suitcases or trunks. If your travel includes a land component, you are limited to two pieces of checked baggage and one overnight or light flight bag which must remain in your custody at all times.

Holland America Line does not assume any liability for loss of or damage to or delay of perishable items, medicine, liquor, cash, credit or debit cards, jewelry, gold, silver or similar valuables, securities, financial instruments, records or other valuable or business documents, computers, cellular telephones, cameras, hearing aids, electric wheelchairs, scooters, or other video or other electronic equipment, binoculars, film, videotape, computer disks, audio disks, tapes or CDs. These items should not be left lying about the ship or your stateroom, nor should they be left unattended on other vessels, railcars or other vehicles or in hotels, nor placed in luggage other than the bag you carry with you. In addition, Holland America Line will not assume any liability for any loss of or damage to carry-on baggage left unattended on the ship or on other modes of transportation or in hotels. Holland America's ships provide, at no extra charge, either safe-deposit boxes in the ship's Front Office or stateroom safes. Certain hotels may also provide similar facilities. Your use of safe-deposit boxes, stateroom safes or similar facilities will not increase Holland America's liability as described below.

Holland America Line cannot be responsible for any loss, delay or damage that occurs before baggage comes into Holland America's actual custody when you begin your travel with us or after baggage leaves Holland America's actual custody at the end of your travel with us. In particular, please note that we assume no responsibility for loss, damage or delay while baggage is in the custody of airlines.

If Holland America Line, due to any cause whatsoever, is liable for loss of, damage to or delay of your property, the amount of Holland America's liability will not exceed US\$100 (US\$600 for guests who have purchased Cancellation Protection Plan) unless you have specified to

Holland America Line in writing the true value of your property and paid to Holland America Line before departure 1% of the value in excess of US\$100 or US\$600, as applicable. In that event, Holland America Line's liability will be limited to the amount so specified.

In that event, we do not assume responsibility or liability for any resulting losses, expenses or inconvenience. Your full cruise fare will be refunded, however, if the cruise is cancelled prior to initial embarkation.
