

AMAWATERWAYS™

LEADING THE WAY IN RIVER CRUISING

AMAKATARINA

The most luxurious ship ever built for Volga-Baltic waterways, the MS AMAKATARINA is the perfect showcase for the legendary and historic waterways of Russia. Cruise between Moscow and St. Petersburg in the most modern, comfortable and elegant vessel ever to sail in. Completely redesigned and renovated from top to bottom by AMAWATERWAYS in 2011, the ship is unequaled on the Russian waterways in terms of spaciousness, accommodation levels and enticing public areas.
