

# COSTA CONCORDIA

The stylish capitals of Europe come to life aboard this marvel of a ship with public spaces inspired by the continent's most famous cities and sumptuous design elements to match. Incredible innovations include one of the largest spas at sea, an expansive pool deck extending over two decks with a retractable magrodome and a Grand Prix race car driving simulator—the most accurate representation of Formula One driving available.

“A seamless blend of European style & modern-day innovation.”
