GENERAL INFORMATION

At the time of making your reservations online, we will advise you whether or not your reservations are confirmed or whether you have been waitlisted. Your credit card will be charged immediately for all confirmed reservations. Should space become available for a waitlisted shore excursion request, we will e-mail or otherwise contact you at that time and either immediately charge your credit card if you have already given us your credit card information or ask you to provide us with that information for immediate charge processing. Shore excursion reservations are subject to cancellation by us at any time prior to the credit card charge being accepted by your bank. If you or Holland America cancel a tour more than 10 days prior to cruise departure, we will issue a credit on the credit card that you used to pay for the reservation. If the credit is not fully utilized during the cruise, the balance will be paid to that guest by the ship's Purser.

Frequently Asked Questions

FREQUENTLY ASKED QUESTIONS

WHAT SHOULD I WEAR?

Comfortable walking shoes are recommended for all shore excursions. When you visit places of worship (cathedrals, churches, etc.), we recommend dressing conservatively (shorts and sleeveless sundresses should not be worn), but casual clothing is perfectly acceptable. Dress in layers and have a jacket along. Bring an umbrella or raincoat, a hat and sunscreen.

WHAT ABOUT MEALS?

Most tour departures complement the ship's meal service hours. 24-hour room service is available on board.

HOW WILL I KNOW WHAT TIME EACH TOUR DEPARTS?

The on-board Shore Excursion Planning Form in your state-room will show departure times. This information will also be printed on your shore excursion vouchers, which you will receive on board as your tour ticket. Approximate tour departure times are posted on our website at www.hollandamerica.com.

I HAVE A DISABILITY. HOW DO I KNOW WHICH TOURS WILL BEST SUIT ME? WILL I HAVE A PROBLEM (DIS)EMBARKING THE SHIP?

Guests with disabilities should inquire in advance whether a shore excursion will be able to accommodate their needs. We have graded the Shore Excursions according to the relative level of activity they entail. The walking icons that appear at the beginning of each tour description provide a general idea of the level of activity to expect. Please refer to the "Choosing Your Tours" section in this brochure for specific information on the walking icons. Most guests will find it beneficial to attend the shore excursion briefing on board the ship for evaluating the required activity level for each tour. It is important to keep in mind that shore excursion operators are subject to the laws of their own country including with respect to accommodating the needs of guests with disabilities. In most foreign countries, the laws are not as stringent as those in the United States. Please speak with the Shore Excursion Office as to whether you can expect to encounter difficulties (dis)embarking the ship in a particular port of call. In this regard, the decision whether or not

to carry or provide other mobility assistance to a guest and their mobility assistance device (wheelchair, walker, etc.) up or down a ship's gangway, or on or off a tender boat, is at the sole discretion of the Captain, made based on his evaluation of guest and crew safety. We encourage you to bring a collapsible wheelchair as space limitations may restrict the ability of some tour operators to accommodate motorized mobility aid devices.

DO ALL THE PORTS AND TOURS IN THIS BROCHURE PERTAIN TO MY CRUISE?

Not necessarily, as this brochure may cover more than one sailing. Please refer to your cruise itinerary to determine which ports you will visit, then turn to those port sections to see the tours. Not all tours in each port are available on all ships or all cruises.

ARE THERE ANY OTHER TOURS OFFERED THAT ARE NOT PUBLISHED IN THIS BROCHURE?

Yes, we often add tours to our program after the brochure is published. For additional tours that may now be available in the ports you are visiting, please check our website at www.hollandamerica.com.

I AM TRAVELING WITH FRIENDS AND WE WOULD LIKE TO BE ON THE SAME MOTOR COACH

The departure location for each shore excursion is printed on your shore excursion vouchers. If you wish to travel with friends, please arrive at the designated meeting place together. This will enable the staff to allocate space for you on the same vehicle.

TOUR DURATIONS

This brochure is designed to help you select the excursions most suited to your interests. The individual tour descriptions include approximate durations. To allow our Shore Excursion Managers flexibility to coordinate your time in port with meals and activities on the ship, exact departure times are published in the Shore Excursion Planning Form on board. For more information, please attend the Shore Excursion briefing or visit the Shore Excursion Office.

TOUR DESCRIPTIONS

Tour descriptions may change after printing. Information that becomes available after this brochure is published will be posted in the Shore Excursions section of our website, which can be found online at www.hollandamerica.com. Significant changes will be noted on the Shore Excursion Planning Form on board. Tour schedules are subject to change.

The Medallion Collection

How to Choose Your Tours

Holland America Line is proud to present the Medallion Collection—a series of tours designed to accommodate our most discerning guests. Each of these carefully chosen tours offers a truly different experience, providing an in-depth perspective appropriate for seasoned travelers. You will find the Medallion Collection insignia, as shown, next to a select few tours in this brochure. Our Shore Excursion staff on board will gladly answer any of your questions regarding this innovative program. Space is extremely limited.

Choose the shore excursions that interest you by using the icons as a general guide to the level of activity involved, and select the shore excursions best suited to your physical capabilities. These icons will help you interpret this brochure.

EASY ACTIVITY: Very light activity including short distances to walk; may include some steps.

MODERATE ACTIVITY: Requires intermittent effort throughout, including walking medium distances over uneven surfaces and/or steps.

STRENUOUS ACTIVITY: Requires active participation, walking long distances over uneven and steep terrain or on steps. In certain instances, paddling or other non-walking activity is required and guests must be able to participate without discomfort or difficulty breathing.

PANORAMIC TOURS: Specially designed for guests who enjoy a slower pace, these excursions offer sightseeing mainly from the transportation vehicle, with few or no stops, and no mandatory disembarkation from the vehicle during the tour. As vehicles outside the United States are rarely lift-equipped and ramps are seldom available, a very small amount of walking will be necessary. The pace will be gentle and taking your time is encouraged.

LIMITED CAPACITY: The number of people able to participate in this tour is strictly limited. Reasons for limiting capacity may include the number of transportation seats available, or the need to maintain a safe ratio of guides for hikes, fishing and water activities. Tours require a minimum number of participants in order to operate.

MEAL: This tour includes a meal—lunch on daytime tours, or dinner on evening tours.

SNACK: This tour includes a small snack or tasting of local specialties. The snack is not a meal.

Whatever your interests, and whichever pace suits you best, there's a huge variety of tours to mix and match in this brochure. At the pier you will board the tender for a short water trip to the vessel *Sea Trekker*. On board, you'll receive a safety briefing and a description of what you will be seeing. SNUBA is a way for four people and a guide to explore the waters to a depth of fifteen to eighteen feet—a magnificent opportunity to view a marine universe that is mainly unexplored and to frolic with the fish. SNUBA allows you to breathe with a regulator and swim freely without a tank on your back (the source of air floats in a small vessel above you.) SNUBA gives you the freedom that snorkeling cannot provide. It's the first step in learning to dive—don't miss it! After your tour, you have the option to relax on *Sea Trekker* with some refreshments or immerse yourself, once again, in this wet and wonderful paradise with complimentary snorkel gear. While relaxing, you can hear tales of Grand Turk, its salt mining days, the Molasses Wreck and the day John Glenn came to town.
