Day 9: 20 Feb 2013: Santiago/ Valparaiso

### **Breakfast in the hotel followed by city tour of Santiago and Transfer to Valparaiso**

**Santiago de Chile** is a city of contrasts with traces of its Colonial past mixed with the ultramodern, high-rise buildings of the financial center; Chile's capital will surprise you. This tour offers you the opportunity to see this eclectic mix for yourself. On the way to the city center you will pass the lovely residential districts of Las Condes and Vitacura. Heading south through the downtown area, you will be passing by the **Club Hípico**, a beautiful horseracing track located in the oldest residential area of the city. Then you proceed alongside the **Parque O'Higgins** and also the **Cousiño Palace**, built between 1870 and 1878 for the wealthy Cousiño family. From here you head along the famous **Alameda**, Santiago's colorful main avenue, towards the heart of the city, on the way you'll see the Chilean University, the San Francisco Church and the **Santa Lucia Hill**, site of Santiago's foundation in 1541. Then you continue towards the **Plaza de Armas** and the cathedral. You will pass by the **historical museum**, where you will learn more about the Chilean history . Very close from here is the famous **Central Market**, which is the main market for fresh fish and seafood, an interesting building, dating back to the end of the 19th century: It is a steel construction, built in London and brought to Chile by ship. Afterwards, you continue the tour crossing the Mapocho River to reach the bohemian Bellavista district on the way to the **San Cristóbal Hill**. From one of the hill's view points, you will have the finest views of Santiago and the Andes Mountains. Following transfer to the pier to board your cruise. (B)
