In between **the silence** of a fjord
and **the thunder** of a glacier,
Alaska weaves its spell.

It's the **great, big, broad** land 'way up yonder,

It's the forests where silence has lease;

It's the beauty that thrills me with **wonder**,

It's the **stillness** that fills me with peace.

— Robert Service, *Spell of the Yukon*

More Time

In all the best places.

At Holland America Line we believe there is a better way, an unexpected way, to show you Alaska — the indulgence of time that is at the heart of our extraordinary vacations. After all, the best part of a beautiful view or a chance bear sighting is the time to enjoy it. That's why we place as much importance on unhurried tour itineraries as we do on leisurely cruises. And why we add an extra day in all the best places for classic wilderness activities.

Seeing Mt. McKinley towering 20,320 feet above the tundra is awesome. But circling the peak on a flightseeing excursion is a rare and privileged experience. Marveling at Denali's top visitor attractions on an official park tour is a must for every Alaska traveler. But rafting through river-cut canyons or cuddling a sled dog puppy are the very essence of a true Great Land memory.

With more time in the premier national parks of Alaska and the Yukon, and more ways to make the wilderness your own, this is sure to be the time of your life.

INSIDE TIP

Many cruisetour itineraries include an extra day of unscheduled time in special places. Check out the sample excursions on the following pages and craft your own adventure.

THE GREAT LAND WITH HOLLAND AMERICA LINE

Alaska and the Yukon offer so much to see and experience far beyond Denali National Park and Glacier Bay. Holland America cruisetour itineraries give you the chance to visit the uncrowded Great Land.

There are national parks whose very names are intriguing: Kenai Fjords, Misty Fjords, Gates of the Arctic. There are legendary names like Klondike, Yukon River, Inside Passage, Arctic Circle. There are ancient landscapes like Tombstone and Kluane.

Of course, you're coming to see wildlife like grizzlies and moose, wolves and caribou, whales and eagles. We'll make sure you also have a chance to see dolphins and puffins, otters and sea lions, and hundreds of the other surprising residents there to greet you.

We want you to experience Alaska and the Yukon in ways that no other cruisetour company can offer you. Our Tour Directors will help you choose the experiences best suited to your interests. This is Holland America's Great Land. We encourage you to take your time and see it all.

There are many different Alaskan habitats to discover . . . from rain forest and glacial terrain to riverine and mountain environments. Experience the myriad flora and fauna from the window of a helicopter, while paddling a river raft, or just by standing still.

Denali National Park

The ultimate wilderness.

Get to know Alaska as few ever do. Those who have the foresight to journey to Denali National Park and Preserve with Holland America Line will be rewarded with an incomparable experience. This vast, untamed wilderness is home to the continent's mightiest peak — a towering massif that makes its own weather. You can't schedule just a few hours and be assured of seeing Mt. McKinley. You need time to make your approach. Time for the clouds to lift. But when the mountain reveals itself, nothing compares. Except, perhaps, the sight of a grizzly, caribou or wolf.

We're generous with the time you spend at Denali so you can experience its diversity. Only the leisurely six-hour Tundra Wilderness Tour that we include with every cruisetour gives Denali its due, reaching some of the best viewpoints for Mt. McKinley and following the park road into a valley where animals are easier to spot. The trophies from this safari will be caught with your camera. A grizzly crossing a braided stream. A Dall sheep traversing a rugged cliff. Or a moose foraging in an upland meadow. We don't want you to settle for anything less. And wouldn't another day in Denali make the adventure complete?

INSIDE TIP

Our experts recommend that you take a flightseeing tour in the morning and a river-rafting or other outdoor adventure in the afternoon to maximize your Mt. McKinley viewing experience.

TUNDRA WILDERNESS TOUR ON EVERY CRUISETOUR SHOWS YOU MORE OF DENALI

Two ways to tour Denali National Park — which would you prefer? On the Tundra Wilderness Tour featured by Holland America Line, you'll see the famous North Face view of Mt. McKinley from Stony Hill Overlook, shown below. Nature willing, it's an awesome sight. The low, sub-arctic tundra makes the vertical rise of this imposing peak even more expansive and the wildlife viewing more successful. The shorter Natural History Tour you'll get with most other cruisetour companies travels through wooded areas leading to the original entrance to the park. There, wildlife viewing is more difficult, and you see only a partial view of Mt. McKinley. We think you're coming to Alaska to see more. That's why we offer the Tundra Wilderness Tour on every one of our incomparable cruisetours.

Mountain view from Primrose

Tundra Wilderness Tour

Holland America Line gives you the full Tundra Wilderness Tour on all 28 cruisetours.

Where others turn back, you'll journey up to 62 miles into the park to see 71% more wildlife than in the shorter three-hour Natural History Tour.*

At Stony Hill Overlook Mile 62 (3,900 ft.) on a clear day, see Mt. McKinley looming to the southwest about 36 miles away.

- 6-hour Tundra Wilderness Tour
- 3-hour Denali Natural History Tour

* The presence of animals is dictated by nature alone, and their visibility can never be guaranteed.

Tombstone Valley

Tombstone Territorial Park

The ancient Yukon.

In 2005 Holland America Line is proud to introduce its Great Land Klondike visitors to the unique landscapes of Tombstone Territorial Park. This is ancient land, part of the original North American continent, dating back two billion years. Visitors driving out from Dawson City along the famous Dempster Highway will pass through land merely 200 million years old — the Tintina Trench, a massive fault line straddling the Yukon and parts of Alaska — and travel into the sub-arctic tundra valleys of Tombstone Territorial Park.

The vistas are endless, the valleys broad and rugged. This land attracted some of the first known settlements of man in the New World and remains the ancestral home of the Tr'ondëk Hwëch'in First Nation. It is also the realm of a full range of wildlife, from grizzlies and moose to peregrines and plovers.

This remote wonderland receives very few visitors. It is untamed in every sense of the word. It is reassuring that these places still exist, and that Holland America guests can visit them.

INSIDE TIP

Combine Tombstone Territorial Park with Kluane and Denali national parks for the most spectacular wilderness vistas in the Great Land.

HOLLAND AMERICA LINE AND TOMBSTONE TERRITORIAL PARK

Holland America Line will offer optional excursions to Tombstone Territorial Park for those guests traveling to Dawson City in the Yukon (cruisetours 1–6, 27 and 28).

Optional excursions will include motorcoach tours through the park and a selected number of interpreted hiking adventures, suited to a wide range of abilities and ambition. Guests looking forward to getting their hiking boots dirty are advised to come prepared for a range of weather conditions.

Birdwatchers will want to bring their field guides, as Tombstone is home to over 100 different species. Bring binoculars to spot the golden eagles and the Gyrfalcons.

The vistas along the Dempster Highway are grand. Come prepared to gaze great distances. At the same time, the intricate eco-system at your feet is fascinating as well.

Glacier Bay National Park

Number-one glacier experience.

HOLLAND AMERICA LINE SPOTLIGHTS GLACIERS AND WILDLIFE

MORE CRUISES TO GLACIER BAY

Holland America Line is the only cruise line to offer Glacier Bay National Park on all three major cruise itineraries — roundtrip from Vancouver or Seattle or cruising between Vancouver and Seward.

TRAVEL WITH ALASKA EXPERTS

A U.S. park ranger will come aboard to share insights into park history, to point out wildlife and to answer questions throughout your unforgettable day of scenic cruising. And a Huna Totem native speaker will join the ship to impart the legend and lore of this sacred place.

WILDLIFE AND HABITAT

Search for humpback whales returning from their wintering grounds near Hawaii, killer whales feeding in the park's near-shore waters, Steller sea lions resting on rocky islands, and harbor seals nurturing their pups. Glacier Bay is the setting for an unforgettable wildlife search.

How does it feel when a monumental chunk of ice splits off a glacier and crashes into the sea? The sound is like thunder. The impact shoots water hundreds of feet into the air. You hold your breath as you catch the moment on film. Then you wait for it all to happen again. And it does. Glacier Bay has more actively calving glaciers than anywhere else in the world. And Holland America Line visits this restricted wonderland more often than any other cruise line.

Cruise by Reid and Lamplugh glaciers to the mighty Johns Hopkins — surrounded by rugged peaks and sheltering a seal pupping ground. Then linger for a full hour at Grand Pacific and Margerie glaciers for the grandest spectacle of them all. Margerie is an Ice Age giant a mile wide and 25 stories high. Here you will marvel at nature's unrelenting power as you witness the birth of one massive iceberg after another.

INSIDE TIP

We provide deck chair blankets and complimentary hot pea soup for comfortable glacier viewing. And we sell film aboard ship, so you'll be camera-ready.

The "light-struck wilderness" that John Muir found so compelling back in the 1800s is just as inspiring today. In fact, since then the glaciers have retreated, providing you with sights early explorers missed. Now you can sail up narrow inlets to massive glaciers backed by towering mountains, with wildlife all along the way.

Glacier Bay

Hubbard Glacier

Hubbard Glacier

Stand in awe before Alaska’s most massive tidewater glacier. This dazzling ice-blue behemoth fills your view and extends for miles at either side. It originates on the slopes of Mt. Logan 76 miles away in Kluane National Park, and spreads across a valley 40 miles wide. By the time it reaches Disenchantment Bay, its architecture towers 40 stories high, dwarfing even the largest ships.

Imagine coming face to face with a wall of ice six miles wide. Nicknamed the “Galloping Glacier,” Hubbard moves faster than almost any other glacier on the continent. It advanced so fast in 1986 it dammed Russell Fjord. And now it threatens a repeat performance. As your ship sails along its looming mass, listen for the loud, deep rumble. Wait for the mighty crack and the thunderous crash. Then marvel as icebergs the size of large buildings crash into the sea.

Cruising to Hubbard Glacier is just as inspiring. Marvel at a 150-mile-long wall of peaks that includes Mt. Logan and Mt. St. Elias — the second- and third-tallest mountains in North America. Encounter the mighty Malaspina, the largest piedmont glacier on the continent. As you approach Hubbard Glacier, watch for seals afloat on the ice. This is an experience you will long remember.

INSIDE TIP

Hubbard Glacier is offered on Alaskan Explorer cruises roundtrip from Seattle and on select Glacier Discovery cruise departures between Vancouver and Seward/Anchorage.

Mountain Goat, Tracy Arm

Tracy Arm

Tracy Arm

This narrow, 26-mile-long fjord is another of Alaska's most dramatic glacier settings. Stand out on deck as the lush rain forest recedes and you enter a stunning canyon of bare rock. The panorama of 7,000-foot mountain peaks and nearly vertical rock cliffs is astounding. Countless waterfalls appear at every turn. Icebergs make their way to the sea in all sorts of wondrous shapes. And tucked away at the end of this remarkable waterway are two very active reminders of the Ice Age — the twin Sawyer Glaciers.

The face of the South Sawyer Glacier stretches one-third of a mile and calves icebergs big and small. Hundreds of harbor seals dot the floating platforms. Kittiwakes and mountain goats are a common sight. Whales and bears may even make an appearance in this magical place where closeness and intimacy make visitors a part of the scene.

INSIDE TIP

The twin Sawyer Glaciers are a highlight of 7-day Inside Passage cruises that also feature Glacier Bay National Park. To experience College Fjord, choose a Glacier Discovery cruise that also features Glacier Bay National Park.

College Fjord

Only one place in Alaska surrounds you on all sides with tidewater glaciers. Within the dramatic setting of this narrow fjord, sparkling blue glaciers flow to the sea. One after another, glaciers named Princeton, Yale, Bryn Mawr and Vassar line up to starboard and port. At the head of the fjord lies Harvard Glacier. Here you'll linger for an in-depth lesson on nature's power.

You'll be following in the wake of an illustrious group funded by railroad magnate Edward H. Harriman that traveled here in the summer of 1899. This scientific expedition found the mother lode of Ice Age glory — the greatest density of tidewater glaciers in Alaska — and returned with over a hundred trunks of specimens and thousands of photographs and colored illustrations.

Tombstone Territorial Park

The Yukon

Alaska and the Yukon. These vast regions of unspoiled wilderness share more than a rollicking gold rush past. Their natural history is also intertwined as plate tectonics, volcanic upheaval and glacial scouring have created a wonderland of untamed beauty. From the stunning massifs of Kluane to the ancient arctic vistas of Tombstone, it is the land and the power of nature that is on display.

The spell of the Yukon, immortalized by Jack London and Robert W. Service, is an enduring lure as you travel via the legendary Yukon River and the famed Alaska Highway exploring country that is still wild and less populated than it was in the 1890s. Western man has also created some of the history of the Yukon. In the midst of a worldwide depression, men rushed to the Yukon gold fields in search of wealth. Their tales are preserved at the Klondike National Historic Park in Skagway, and at the National Historic Sites in Dawson and Whitehorse. The stories are rugged and ribald. The characters were daring and desperate. Through it all, the land is alluring, forbidding and beautiful.

INSIDE TIP

Late-season travelers including Dawson in their itinerary may be lucky enough to catch a glimpse of the aurora borealis.

Yukon River

Dawson City

Dawson

When you think of the gold rush, think of this Klondike National Historic Site. Dawson City is where more than 30,000 Stampeders transformed a fishing camp at the confluence of the Yukon and Klondike rivers into the largest city west of Winnipeg and north of Seattle. You'll find history along the creaky wooden sidewalks, at the Dawson City Museum and Historical Society and in the authentic costumes the townsfolk wear. And just think. Every cruisetour featuring Dawson City includes an extra day to explore the Heart of the Klondike.

If you find yourself with time in Whitehorse, our jumping-off point for Kluane National Park, be sure to visit the *ss Klondike* National Historic Site. Wave to rugged homesteaders as you pass their stakes. Your 102-mile journey between Eagle and Dawson City is featured on cruisetours 1–6, 27 and 28.

Gates Fall, Gates of the Arctic National Park

Caribou, Brooks Range

Arctic Adventures Prudhoe Bay

A trip to Prudhoe Bay will take you all the way to the shore of the Arctic Ocean. It spotlights more than the North Slope’s famed oil fields and the 800-mile TransAlaska Pipeline. The road from Fairbanks to Coldfoot and over the Brooks Range to Deadhorse is an ever-changing backdrop for abundant wildlife. Sightings of caribou are often reported. Sheep, swans, geese, ducks and eagles are common attractions. Many guests even see grizzly bears foraging alongside the road. It’s no wonder this is our top-rated wildlife tour.

See the mighty Yukon River, pass over rugged Antigon Pass, cross the Arctic Circle and skirt Gates of the Arctic National Park. With the continuous daylight of the Midnight Sun, this Far North adventure, featured on cruisetours 21 and 22, is truly unique.

INSIDE TIP

If you’re shopping for Native handicrafts, watch for the Silver Hand Emblem, which guarantees the authenticity of the piece.

Gates of the Arctic National Park

Frigid Crags and Boreal Mountain give Alaska’s ultimate wilderness its name. These dramatic peaks mark the gateway from Alaska’s central Brooks Range into the arctic regions of the Far North . . . and a remarkable world of uncommon adventures.

BROOKS RANGE EXPEDITION

Motorcoach across the Arctic Circle, enjoying stunning scenery along the Dalton Highway — the TransAlaska Pipeline “haul road.” You’ll lunch on the banks of the legendary Yukon River and overnight in remote Coldfoot.

The next morning, hike with a local guide through majestic wilderness near Gates of the Arctic National Park. Have lunch in Wiseman before spending an idyllic afternoon floating along the Koyukuk or Hammond rivers through the ancient Brooks Range. (See page 92 for more details.)

ANAKTUVUK PASS FLIGHT ADVENTURE

This fascinating 1½-hour option blends ancient mountains, arctic tundra, and Eskimo culture with a flight across the Arctic Circle. One of the most remote places in the world, Anaktuvuk Pass is inhabited only by Nunamiut Eskimo who subsist on the world’s largest caribou herd. Tour the village with your Nunamiut guide, learning more at the Simon Paneak Memorial Museum and crossing the tundra in an all-terrain vehicle. (See page 92 for more details.)

Discovery III, Fairbanks

Fairbanks

Work up an appetite panning for your keepsake of gold. Afterwards, savor a hearty miner's stew at the authentic Gold Dredge No. 8, restored by Holland America Line and listed on the Register of National Historic Sites. Then sail aboard the sternwheeler riverboat *Discovery III* to visit with a native beadwork artist and meet Susan Butcher, four-time Iditarod champion, and her famous sled dogs.

Fairbanks is also the starting point for optional adventures that spotlight the rugged beauty and native culture of the Far North while you are inducted into the Arctic Circle Club — complete with Arctic Circle Certificate. Choose our Fort Yukon Arctic Circle flightseeing excursion or our Anaktuvuk Pass Flight Adventure and include this unique experience in your collection of travel achievements.

A SAMPLE OF EXCURSIONS AVAILABLE IN FAIRBANKS

INSIDE TIP

Kenai Fjords National Park

Alaska SeaLife Center, Seward

Seward & Kenai Fjords National Park

Sweeping from rocky coastline to glacier-crowned peaks, Kenai Fjords National Park is one of Southeast Alaska's most scenic attractions. A dayboat cruise through the park's long, steep-sided, glacier-carved valleys gives you an up-close look at abundant wildlife. Watch for bald eagles, listen to the sounds of thousands of seabirds and share the waters with Steller sea lions, harbor seals, Dall's porpoises, sea otters and whales.

The gateway to Kenai Fjords is the scenic town of Seward. At the head of dramatic Resurrection Bay, towering Mt. Marathon provides a breathtaking backdrop for a historic downtown district filled with quaint shops. Enjoy a half day of exploration in picturesque Seward on most Glacier Discovery cruisetours.

INSIDE TIP

Magnificent Kenai Fjords National Park is included on cruisetours 17 and 18 and can easily be added to most other Glacier Discovery cruisetours.

Portage Glacier

Stop at the Begich Boggs Visitor Center to browse the fascinating glaciology exhibits before you board Holland America's *mv Ptarmigan*. This specially designed dayboat will take you across the tranquil surface of Portage Lake to Portage Glacier, one of the most-visited attractions in the state.

Marvel at the ice-blue color, the thundering crash of icebergs, and the teeming wildlife. This fabulous excursion is easily added to most of our Glacier Discovery cruisetours. Add an extra night in Anchorage, and you can experience Portage Glacier in conjunction with Great Land cruisetours, too.

Prince William Sound

Anchorage & Alyeska

Mount McKinley, 130 miles north of downtown, makes a clear day in Anchorage an unforgettable experience. And this cosmopolitan hub of activity offers guests a myriad of options from shopping, restaurants and bars to art, garden and museum tours.

Extend your stay and take in rivers and lakes perfect for kayaking or fishing, and mountains and glaciers just made for flightseeing. Or choose a cruisetour that features overnights at the château-style Alyeska Prince Hotel, the only Alaska property to earn a place on Condé Nast's Gold List. Enjoy the aerial tramway, the mountaintop restaurant and the stunning setting.

INSIDE TIP

Plan to add an extra night in Anchorage or Alyeska to take advantage of all that this spectacular region has to offer. See pages 90–91 for details.

History never gets old in Skagway. This Klondike Gold Rush National Historical Park boasts restored buildings and wooden boardwalks that invite you to stroll into the past. Take your time and poke into every little store, from the Trail Bench to Lynch & Kennedy's Dry Goods. The Red Onion Saloon, with its honky-tonk piano and costumed barmaids, is a treasure trove of memorabilia, featuring pictures of Klondike Kate, Peahull Annie and other vintage characters. Service Is Our Hallmark

We go above and beyond for you.

What does it mean to build a cruisetour program perfectly suited for Alaska? We begin with the premise that a hotel can do more than provide a place to stay; a train can do more than get you from Point A to Point B. They can — and should — enhance your vacation at every turn. And the more personal we can make each experience, the better.

The new domed railcars of our award-winning McKinley Explorer® offer more space and glass per passenger than any other domed railcars in Alaska. These modern marvels travel in pairs, so there's more to explore — from the domed, upper-level seating area, dining room and outdoor viewing platform to the lower lounge and gift shop. With dining in two sittings rather than three, our Alaska railcar experience is unmatched.

Step into the recently renovated Westmark Fairbanks Hotel and feel the welcome of Alaska's "Golden Heart City." The new McKinley Chalet Lodge harmonizes with its stunning Denali National Park setting. And our friendly people make your stay unforgettable. Wherever you go with Holland America Line, you'll enjoy the best hotels, the best staff and the most exciting way to travel the Great Land.

INSIDE TIP

The richly upholstered seats in the new McKinley Explorer are the widest passenger seats on any dome car in Alaska.

CURTAIN CALL

Holland America's dazzling shows have been created by a production team with more Emmy®, Grammy®, Tony® and Oscar® nominations than any other cruise line.

Every cruisetour features cruising on a glorious Holland America ship. You'll notice the gleam of brass brightwork and the curve of a teak deck chair, and enjoy the summons of pleasant musical chimes to dinner. Ours are the traditions that have long defined classic cruising, refined for a new generation seeking sophistication and romance.

In Alaska we provide mid-sized ships that continually earn the industry's premium five-star rating. We're recognized for elegance, fine dining and a level of graciousness that rises above every expectation. Airy viewing lounges, wraparound teak decks and staterooms with private verandahs embrace Alaska's glaciers and wildlife and wrap you in the luxury of intimate spaces. It's no wonder our guests come back again and again. We surround you with the best that cruising has to offer, engaging your heart and mind. Watch as our Native Artist-in-Residence creates traditional art before your eyes. Listen as our onboard naturalist points out wildlife and wonders. Our cruises evoke the wonder of Alaska and the adventure of places you just shouldn't miss.

INSIDE TIP

Holland America Line is "consistently the highest rated among the world's best cruise lines," according to readers of Condé Nast Traveler and Travel + Leisure magazines.

This is the time to shower yourself with the luxuries that are so woefully absent from everyday life and at which Holland America Line is so adept. We'll pamper you with fine dining and attentive service. And nourish your appreciation of the arts.

Ideal Tour

The best way to travel the Great Land.

Kluane National Park

Our Klondike Wilderness Adventure (CruiseTour 6) combines three premier national parks — Glacier Bay, Denali and Kluane in Canada. Plus Tombstone Territorial Park north of Dawson City. With the Yukon River and Dawson, your travel diary will record memories just like these...

DAY 0

THE ALYESKA PRINCE HOTEL IS SOLID GOLD

Flew into Anchorage early to stay at the Alyeska Prince Hotel and dine at the Seven Glaciers Restaurant. Then cruised to the “hidden” Portage Glacier on the *mv Ptarmigan* — unbelievable!

DAY 1

ANCHORAGE AND THE KENAI FJORDS ARE A MATCH MADE IN HEAVEN

Up early to tour Kenai Fjords National Park. Saw whales, sea lions and got our first look at glaciers. In Anchorage a grilled salmon dinner really got us in the Alaska mood.

DAY 2

THE NEW MCKINLEY EXPLORER IS LIKE CRUISING ON LAND

We met our traveling companions and Tour Director. Then boarded the McKinley Explorer railcars for sightseeing to Denali. At the McKinley Chalets we opted for the rollicking Denali Cabin Nite dinner show.

DAY 3 — EXTRA DAY

MADE THE MOST OF OUR EXTRA DAY IN DENALI NATIONAL PARK

Soared over the glaciers and spires of Mt. McKinley and the Alaska Range in a helicopter. Spent the afternoon rafting. What a day!

DAY 4

THE TUNDRA WILDERNESS TOUR IS A DEFINITE “MUST”

The brochure was right! The longer tour showed us more wildlife and the best views of Mt. McKinley — so glad Holland America insists on the full Tundra Wilderness Tour. We shot a dozen rolls of film!

DAY 5

INTO THE WILDERNESS VIA THE FABLED ALASKA-CANADA HIGHWAY

Relived history at the restored Gold Dredge No. 8. Then hit the storied “Al-Can” Highway. Our driver entertained us with wilderness tales as we passed through unforgettable scenery.

DAY 6

OUR YUKON RIVER EXPERIENCE WAS A TRUE OFF-ROAD ADVENTURE

Aboard the *mv Yukon Queen II* we all marveled at how wild and untouched the country is; fell completely under the spell of the Yukon.

DAY 7 — EXTRA DAY

TOUCHED THE HEART OF THE KLONDIKE IN DAWSON CITY

We opted for the Tombstone Territorial Park adventure from gold rush Dawson. Incredible vistas of remote, rugged mountains and sub-arctic tundra. We heard a ranger talk about the special ecological aspects of the park and then hiked in bear country.

DAY 8

TRAVELED THE ROUTE OF THE STAMPEDERS TO HISTORIC WHITEHORSE

We broke out our dog-eared copies of Robert W. Service poetry as we passed “the marge of Lake Laberge” via the fabled Klondike Highway. The Frantic Follies Vaudeville Revue at our hotel brought the gold rush hilariously to life.

Denali National Park

INSIDE TIP

Holland America Line provides the personal attentions of a Tour Director on the land portion of most of its cruisetours — a unique component of the premier service that is evident throughout your vacation.

■ DAY 9 — EXTRA DAY

WHY WE CAME TO THE GREAT LAND — KLUANE NATIONAL PARK

Made the full-day trek up to King's Throne. Friends did the Alsek Valley interpreted hike. Others shot the rapids of the Tatshenshini River. There was a fabulous flightseeing trip featuring Mt. Logan too — something for everybody!

DAY 10 FOLLOWED THE GOLD RUSH TRAIL

History continued to unfold as we traveled aboard the White Pass & Yukon Route Railroad and explored Skagway and the Klondike Gold Rush National Historic Park. Said farewell to our Tour Director since we'll embark on our cruise tomorrow.

DAY 11 WE'RE WELCOMED ABOARD OUR SHIP

The ship stayed in Skagway until 9PM, so we had time to preview Glacier Bay from the air and get acquainted with our elegant vessel.

DAY 12 GLACIER BAY NATIONAL PARK — GLORIOUS!

Watching glaciers calving, whales breaching and seals basking on ice floes kept us in awe the entire day. And we learned so much from the park ranger and local Huna Totem member.

DAY 13 MISTY FJORDS VIA FLOATPLANE — THE PERFECT THING TO DO IN KETCHIKAN

Took off from the harbor, climbed past stunning waterfalls into a wonderland of high alpine lakes. Then we landed and climbed out onto the pontoons for a picture in Misty Fjords National Monument.

DAY 14 CRUISING THE INSIDE PASSAGE WAS PURE HEAVEN

After getting up late, we marveled at the beauty of forested islands and sheltered waterways. Kept ourselves busy all day and vowed to cruise again and again.

DAY 15 SAID GOOD-BYE, BUT NOT FAREWELL, IN BEAUTIFUL VANCOUVER

Sailing under the Lion's Gate Bridge into Vancouver, we looked back at our adventure. Denali, Kluane, Tombstone, Glacier Bay, Dawson, the Yukon River — we're so glad we made the time to see it all.

A large cruise ship is seen from an elevated perspective, navigating a narrow, winding waterway. The water is a deep, dark blue, and the surrounding mountains are rugged and covered in patches of snow. The ship is moving towards the right, leaving a white wake behind it. The overall scene is one of a remote, natural Alaskan landscape.

There is a place
in the wilds of Alaska
where wonders prevail,
both on board and off.

A woman with dark hair pulled back, wearing a dark purple dress, is smiling warmly at a man in a tuxedo. The man is also smiling and holding a glass of red wine. They are seated at a table with white plates and silverware. The background is softly blurred, showing other people in formal attire.

Each evening
is a feast for the eyes,
palate and soul.

And the day's thrilling
adventures are balanced with
a tranquil retreat.

Changing travel plans.

Unforeseen events do happen, which is why Holland America Line is pleased to offer two comprehensive trip cancellation options for protecting your cruise investment.

STANDARD PLAN

Holland America's Standard Cancellation Protection Plan (CPP) allows you to cancel **for any reason** up to 24 hours prior to the scheduled cruise departure and receive a cash refund equal to 80% of the applicable cancellation fee. Plus, Holland America Line assumes US\$500 of liability for lost, damaged or delayed baggage. Please note, the CPP Standard Plan is not insurance; for that, guests rely on the Platinum Plan.

PLATINUM PLAN

For U.S. residents, our Platinum Cancellation Protection Plan enables you to supplement the CPP Standard Plan with insurance coverage and travel assistance services. You may cancel for any reason up to 24 hours prior to departure and receive a 90% cash refund of the applicable cancellation fee. In addition, you'll receive:

- **PRE-DEPARTURE TRIP CANCELLATION WITHIN 24 HOURS OF DEPARTURE** *Cancel for any covered reason within the 24 hours prior to the scheduled departure and receive reimbursement for unused arrangements of cruise or cruisetour portion of travel.*
- **TRIP INTERRUPTION PROTECTION** *Covers the unused arrangements of your travel and additional traveling expenses to return home, up to 150% of the cruise/cruisetour cost.*
- **TRIP DELAY COVERAGE** *Reimbursement for accommodation and traveling expenses if your trip is delayed more than 12 hours.*
- **EMERGENCY MEDICAL EXPENSE** *You will be reimbursed up to US\$10,000 in medical expenses for any illness or injury first occurring during your trip. In addition, expenses of up to US\$50,000 for emergency medical evacuation are covered. These are benefits that Medicare and many private insurance plans do not offer, and they are highly recommended for foreign travel.*
- **24-HOUR EMERGENCY HOTLINE ASSISTANCE** *Provides round-the-clock help worldwide for prescription refills, legal or medical referrals, lost tickets, cash transfer or passport assistance.*

CANCELLATION PROTECTION PLAN AND ADDITIONAL BAGGAGE PROTECTION

CPP STANDARD PLAN

Our Standard Cancellation Protection Plan (CPP Standard Plan) will allow you, for any reason, to provide written cancellation up to 24 hours prior to scheduled cruise or cruisetour departure and receive a refund equal to 80% of the applicable cancellation fee (90% if you purchased our CPP Platinum Plan). In addition, Holland America automatically assumes an additional us\$500 of liability for lost, damaged or delayed baggage of passengers who purchase the CPP Standard Plan, still subject, however, to the limitations in our baggage policies. For example, we do not cover losses while baggage is in the custody of airlines. The baggage policies of Holland America are explained in detail on page 117.

The CPP Standard Plan is not insurance; it provides no rights other than those explained above. For example, it does not protect double-triple-quad occupancy rates should one or more members of your party cancel, nor does it cover expenses or unused services due to trip interruption.

CPP PLATINUM PLAN

Our Platinum Cancellation Protection Plan (CPP Platinum Plan) enables you to supplement the CPP Standard Plan with insurance coverage and travel assistance services. The CPP Platinum Plan also increases the REFUND amount for cancellations made more than 24 hours prior to departure. In addition to the CPP Standard Plan benefits and the larger REFUNDS, which are provided by Holland America Line Inc., the CPP Platinum Plan provides you with the following insurance benefits:

- Trip Cancellation coverage provides protection if you must cancel for a covered reason during the 24 hours prior to scheduled departure. This coverage pays for forfeited, published, non-refundable payments for unused arrangements of the cruise or cruisetour portion of travel booked through Holland America (up to a maximum of us\$20,000).
- Trip Interruption coverage provides protection if your trip is interrupted after departure due to a covered reason. This coverage pays for forfeited, published, non-refundable payments for unused arrangements of the cruise or cruisetour portion of travel booked through Holland America and additional traveling expenses to return home (150% of your cruise/cruisetour cost, not to exceed us\$20,000).
- Trip Delay coverage provides reimbursement for reasonable additional accommodation and traveling expenses incurred to rejoin the trip in progress when you are delayed for more than 12 hours, due to covered reasons (up to a maximum of us\$1,000, accommodations subject to a daily limitation of us\$100).
- Emergency Medical Expense coverage pays up to us\$10,000 for medical, surgical and emergency dental care in the event you become sick or are accidentally injured while traveling; you must have first sought medical care during the trip. Benefits payable will not exceed the usual, customary and reasonable charges for similar services in the geographic area in which the services were rendered. Various expenses are excluded; for example, hearing aids, eyeglasses, contact lenses, treatment arising from alcohol or substance abuse are not covered.
- Emergency Assistance coverage pays up to us\$50,000 for emergency medical evacuation or transportation pre-approved and arranged by the insurer's designated assistance provider.

Trip Cancellation, Trip Interruption and Trip Delay coverages generally apply in the case of covered medical reasons and listed perils (such as bad weather) as stated in the Certificate of Insurance. The pre-existing medical conditions exclusion will be waived if the CPP Platinum Plan coverage is requested at time of booking and paid for at time of deposit. The CPP Platinum Plan does not cover amounts you pay for air travel or for other optional programs (such as pre-cruise hotels).

You will also receive the following 24-Hour Emergency Hotline Assistance Services, arranged by the CPP Platinum Plan administrator's designated provider: Emergency Prescription Refill Assistance, Medical Referral, Legal Referral, Emergency Cash Transfer, and Lost Tickets and Passport Assistance Services.

Important note: This is a summary of coverage. Please refer to the Description of 24-Hour Emergency Hotline Services and Certificate of Insurance in the CPP Platinum Plan pamphlet available from Holland America which contains the details of assistance services and insurance coverage, terms, conditions, exclusions and other applicable limitations. The CPP Platinum Plan is only available for U.S. residents. The CPP Standard and CPP Platinum plans are optional, must be paid at time of deposit and are non-refundable. The per-person, per-cruise costs for both plans are listed with the cruise fares. Insurance coverage is provided by either Monumental General Casualty Company or Stonebridge Casualty Insurance Company. The CPP Platinum Plan is administered by CSA Insurance Services. These companies are not affiliated with Holland America Line Inc.

A SMALL PRICE FOR PEACE OF MIND

Holland America's Cancellation Protection Plan (CPP), like home owners' insurance or a policy that covers jewelry or fine art, is designed to protect your vacation investment from loss — no matter what. And like other plans that protect objects of great value, it's a small price to pay for peace of mind. Be it illness, family matters, unforeseen work events — anything — CPP is your assurance that your vacation can be cancelled for any reason for a cash refund.

If confirmation is possible, a US\$50 non-refundable service charge and additional airline costs incurred will be assessed. A service charge will be assessed for each additional request that is confirmed. **Confirmed requests to fly in early or fly out late forfeit the associated transfer.**

BOOK EARLY

The availability of the air rates that we have arranged may be limited. Therefore, it is advantageous for you to book your vacation as early as possible. We reserve the right to limit or close sales from cities without notice.

LIABILITY AND RELATION WITH AIRLINES

We reserve the right to use the carriers, routing, and fare structure of our choice, and to utilize commuter and/or charter air service without prior notice. As the airfares we use are based on capacity-controlled, promotional, and group fares, we may limit or close sales without prior notice at any time. If, due to any cause beyond our control, we are unable to arrange for air travel or the air travel we arrange is unavailable or otherwise fails to materialize, our liability will be limited to refunding the air add-on amount paid to us. We assume no liability for any acts or omissions of any airline, including, without

limitation, those involving cancellation of flights, schedule changes, re-routings, damage to or delay or loss of baggage, flight delays, equipment failures, accidents, pilot or other staff shortages, overbooking or computer errors. The liabilities and obligations of an airline to you, and your rights against an airline, are subject to any and all terms and conditions of the airline’s ticket and tariffs.

BAGGAGE

Baggage allowance is governed by airline regulations. Excess baggage charges are the responsibility of the guest. We assume no responsibility for loss, damage or delay while baggage is in the custody of airlines.

SEAT ASSIGNMENTS/SPECIAL REQUESTS

We cannot confirm seat assignment requests or requests for special meals or other special services not mentioned in this brochure. Your travel agent may assist with these arrangements once you receive your tickets. Some airlines or charter operators may not offer advance seat assignments. Guests traveling with other guests who originate from different cities or who request the Fly Cruise Plan at a later time may not receive routing on the same flights.

AIR SCHEDULE CHANGES

Due to late changes by airlines in their schedules, we recommend a phone call to your airline to reconfirm your flights just prior to travel. If airlines change their schedules after tickets are issued, we will adjust your itinerary or air carrier accordingly.

AIR CHANGES/REFUNDS

Changes to existing reservations initiated by guests will result in a rescheduling charge if the changes are made within 65 days of departure. Airline tickets are issued based on fares which are highly restrictive and often cannot be reissued or exchanged for another carrier or routing.

Once ticketed or anytime within 65 days of travel, a per-person fee (plus the amount of any airline-imposed cancellation charge) will be assessed for guests who delete the Fly Cruise Plan from their booking.

The maximum refund for unused air tickets will not exceed the air add-on paid to us. There are no partial refunds. Due to changing airline tariffs, your tickets may reflect fares higher or lower than our air add-on amounts. The difference is neither chargeable nor refundable.

OVERNIGHT HOTEL ACCOMMODATIONS

It may be necessary to overnight guests en route to or from their cruise due to airline schedules and/or availability. If necessary, the cost of hotel accommodations is not included in the air add-on amounts. Hotels will be selected by Holland America Line and may not be at the port of (dis)embarkation. Guests are responsible for meals and items of a personal nature.

An overnight in Anchorage is required for guests who disembark in Seward and are destined to points east of the Rockies on day of disembarkation.

For some packages, Fly Cruise guests may incur an additional airfare (or hotel) supplement due to a stopover.

TRANSFERS

A complimentary local transfer service between the Vancouver Airport and the ship (for Vancouver sailings) or the Seattle-Tacoma International Airport and the *ms Amsterdam* or the *ms Oosterdam* will be provided for the Fly Cruise guests whose flights arrive or depart on (dis)embarkation day only. This service operates between 10:30AM and 3:00PM for arrivals and from 9:00AM to 11:00AM for departures.

Express motorcoach service between Seattle and the pier in Vancouver may be substituted for air.

Transfers are available between Seward and Anchorage connecting to and from Holland America ships. This three-hour scenic excursion is US\$65 per person by motorcoach or US\$99 per person by Alaska Cruisetrain. See page 90 for more information.

CRUISE-ONLY GUESTS

Guests not participating in our Fly Cruise Plan are responsible for their own transfers between airport and ship (and vice versa). We recommend that you schedule a minimum of five hours in Anchorage and three in Seattle and Vancouver both at the beginning and end of your cruise to allow for transfers, customs clearance and airport security checks. Day-of-sailing transfers may be purchased in most cities by calling Holland America Line at 1-877-SAIL HAL.

NOTE: If you purchase air transportation independently from Holland America Line, you will be responsible for any and all expenses incurred when joining the vessel in progress.

SEATTLE-VANCOUVER MOTORCOACH

For guests not participating in our Fly Cruise Plan, special motorcoach service between Seattle and Vancouver is US\$50 one way. This service is available in each direction in connection with each arrival and sailing date. Advance reservations are required and should be made with your cruise or tour reservations. A snack is included.

NORTHBOUND:

Motorcoaches depart from Seattle-Tacoma International Airport from 10:00AM to 12:00PM and stop at the Seattle Sheraton Hotel in downtown Seattle prior to the 3½-hour scenic trip to the pier in Vancouver. All guests desiring transfer from the Sheraton must check in prior to 9:00AM on day of travel as space is limited.

SOUTHBOUND:

Motorcoaches leave the pier in Vancouver at approximately 10:30AM and take you directly to the Seattle-Tacoma International Airport. Limited service is also available to the Sheraton Hotel in downtown Seattle. En route time is approximately 3½ hours. This service can be subject to delays caused by customs, medical emergencies, etc. We strongly urge you to adhere to recommended connecting times.

AMTRAK® TRAIN TRAVEL

Before You Go

Helping you plan your cruise.

It is a privilege to welcome you on board our ships, and our sincere desire that you enjoy an extraordinary vacation. Here are answers to the questions we are frequently asked.

How much time do I need to allow for embarking and disembarking?

For arrivals and departures in all ports of (dis)embarkation, it is recommended that those guests not purchasing Holland America's Fly Cruise and Tour Plan allow adequate time for transfer between the airport and pier, customs inspections and airport security checks as noted below.

Port City	Arrival	Departure
Anchorage	5 hours	5 hours
Vancouver	3 hours	3 hours
Seattle	3 hours	3½ hours

Cost of Anchorage, Vancouver or Seattle overnight, due to airline schedules, is at guests' expense.

How do I obtain airport transfers if I don't participate in your Fly Cruise plan?

To provide Anchorage or Fairbanks airport transfers for cruisetour guests not participating in our Fly Cruise Plan, our Seattle office MUST be advised of their arriving or departing airline and flight numbers: fax (800) 628-4855. Transfers operate from airport to hotel from 10:00am to 10:00PM.

When may I embark the ship?

The *ms Zaandam*, *ms Volendam*, *ms Statendam*, *ms Veendam* and *ms Ryndam* depart Vancouver, BC at Canada Place, located at the foot of Burrard Street, at 5:00PM. Embarkation commences at 1:00PM. Guests are required to be on board at least one hour prior to sailing time.

For guests sailing on the *ms Statendam*, *ms Veendam* or *ms Ryndam* from/to Seward, transfer service between Anchorage and Seward is available at a rate of US\$65 per person. Guests may check in at the Egan Convention Center at 555 W. 5th Avenue in Anchorage on day of sailing between 8:00AM and 12:00 noon.

The *ms Amsterdam* and *ms Oosterdam* depart from Terminal 30 at 5:00PM. Embarkation commences at 12 noon. Guests are requested to be on board one hour prior to sailing time.

How can I host a bon voyage party?

For security reasons, Holland America Line has implemented a "no visitor" policy and regrets any disappointment this may cause. However, family and friends wishing you bon voyage may send a gift directly to your stateroom. You may host a party for fellow cruise guests, ordering champagne, canapés and cocktail set-ups delivered to your stateroom beforehand via your travel agent or by calling Ship Services at 1-800-541-1576.

How do I make dining room reservations?

Whatever your dining preferences — early or main sitting, for two or groupings of four, six or eight guests, with family or friends — Holland America Line will make every effort to honor your request. All dining requests should be made in advance of sailing through your travel agent and confirmed or waitlisted at the time of booking.

Upon embarkation you will find a confirmation card in your stateroom confirming your seating assignment and table number. If, for some reason, your dining request was not submitted before your cruise date, the Maître d' will assign you to the sitting that is available.

Normal meal hours in the main dining room are:

Breakfast	Open seating	8:00AM
Lunch	Open seating	12:30PM
Dinner	Early sitting	5:45PM
	Upper level of Dining Room	
	Early sitting	6:15PM

	Main sitting	8:30PM
	Lower level of Dining Room	

Dining times subject to change depending on ship activities and port times.

Pinnacle Grill Dining Rooms

Our intimate, reservations-only Pinnacle Grill restaurants — a delicious alternative to the main Dining Room — are very popular. We recommend you make reservations early in your cruise or, in advance, through Holland America's Ship Services department.

Can you accommodate special diets?

We make every effort to assist special dietary requests, including vegetarian, fat-free, sugar- or salt-free, if advised at time of booking. Kosher, * gluten-free or special medical diets must be pre-ordered a minimum of 30 days prior to sailing.

* *Kosher meals are prepared off the ship in a kosher kitchen, frozen and brought to the table sealed in their original containers. There is no kosher kitchen on board.*

What provisions for children are made on board?

For infants, Holland America Line provides baby food, diapers, high chairs, booster chairs and cribs upon special request (30 days' notice) via your travel agent or by calling Ship Services at 1-800-541-1576. For our younger guests Holland America's Club HAL® program offers fully supervised activities, games, parties, menus and shore activities — broken out by ages 5–8, 9–12, and teens 13–17. KidZone and WaveRunner rooms on the *ms Oosterdam* offer separate children's computer and video game areas, a dance floor and outside play area.

Are shore excursions available?

Fishing for salmon, walking on a glacier and flightseeing are only a few of the many exciting shore excursions offered in most ports. You can pre-purchase excursions or make your arrangements when you board your ship. Your ambition dictates your agenda. We encourage you to book prior to sailing to avoid disappointment.

How do I arrange shore excursions?

The wide range of shore excursions Holland America Line offers may be previewed on our website at www.hollandamerica.com or in the shore excursion booklet included with your documents. You may also pre-purchase tours of your choice online or make arrangements with our Shore Excursion department once on board.

How do I pay for shipboard purchases?

Holland America ships sail with the tradition of a “cashless society.” Simply provide the Purser with your credit card at the beginning of your voyage, sign for your purchases, then settle your account with one convenient transaction at the end. Payment is accepted with American Express, VISA, MasterCard, Discover Card, cash or travelers' checks.

How can I be reached at sea?

You may easily make and receive calls in the privacy of your stateroom using our satellite communication telephones. Your documentation packet will contain detailed information, including the phone number for your ship at each specific location.

What provisions for single travelers are made on board?

Take advantage of our Single Partners Share Program whereby you may share a stateroom with another non-smoking guest of the same sex and pay only the per-person double occupancy rate — even if we are unable to find a partner for you.

The best available hotels are used throughout each tour. Holland America Line reserves the right to substitute hotels of similar category. Single rooms at a supplementary charge may be requested at most points. Single rooms cannot be guaranteed at Denali or in the Arctic. If a single room is not available upon arrival, an appropriate refund will be made by the Seattle office through your booking travel agent. Triple rooms, when available, may contain either two beds and a rollaway or two double beds.

Extra Cost Provision

At tour destinations, weather may adversely affect flights. If, due to weather, you are required to spend an additional night, you will be responsible for your own hotel and meal costs. Neither the tour operator nor the airline will assume such additional expense.

Refunds

No refunds can be made on unused sightseeing tours or transfers when cancelled by the guest. All refunds for cancellations by Holland America Line will be made through booking travel agent for the value of the unused features.

Denali Sightseeing

Weather at Denali National Park may, at times, restrict the length of sightseeing tours. In this event, a refund will be made for the unused portion of the tour.

The McKinley Explorer railcars are pulled behind the Alaska Railroad passenger train. Although scheduled times are published for the Alaska Railroad trains, track conditions and other rail traffic may result in significant variations from the published schedule. Holland America has no control over this schedule, and meal times will be adjusted accordingly.

RESERVATIONS

Travel agencies provide valuable service and counseling to prospective travelers. We encourage you to make your Holland America reservations with a travel agent who understands your individual needs. Travel agencies are not owned or controlled by Holland America Line. Your deposits and payments for Holland America's services are to be paid to the travel agency with which you made your reservations. Since accommodations are limited by the number of staterooms on each ship, reservations should be made as early as possible. Travel documents will be issued only if and when full payment has been received by Holland America Line from the travel agency. Refunds for cancelled or unused services will normally be made to the same travel agency on the basis of the amount actually received by Holland America Line less any applicable cancellation fees and charges. You are responsible for obtaining from your travel agency monies either retained by the agency or received by the agency from Holland America Line. For further information visit our website at www.hollandamerica.com or call 1-877-SAIL HAL. Guests under 21 years of age must be accompanied by a parent, guardian or chaperone who is at least 25 years old; one adult chaperone is required for every five people under 21.

DEPOSIT AND FINAL PAYMENT REQUIREMENTS

The per-person, per-cruise deposit requirements to secure reservations and Cancellation Protection Plan costs are listed with the cruise prices.

A deposit is required within 5 days of cruise booking. Cancellation Protection Plan, if desired, must be paid for at time of deposit; see Cancellation Protection Plan and Additional Baggage Protection for details (pages 110–111).

Final payment is due no later than 75 days prior to departure. In most cases, we are able to provide you with travel documents, including your cruise contract, approximately 30 days prior to departure. Travel documents, however, are issued only after final payment has been received by Holland America Line.

Travel agents should make checks payable and send to:

Holland America Line Paymaster Corporation
P.O. Box C34013
Seattle, WA 98124-1013
U.S.A.

Payment by American Express, VISA, MasterCard or Discover Card is also accepted.

For faster processing, please include a confirmation number on your check. Travel agents please note that MCOs will not be accepted.

UPGRADE POLICY

Holland America Line reserves the right to upgrade a guest or guests to more expensive category accommodations at no additional cost.

CHANGE CHARGES

Changing your itinerary after reservations have been made can result in loss of advantages gained by early planning. In addition, the results of last-minute changes may be disappointing. To cover administrative costs, a per-person charge will be made if you request a change in your travel arrangements after the final payment due date. Change charges are not assessed for stateroom upgrades or for the addition of services, unless air reservations are altered and/or travel documents must be reissued.

CANCELLATION POLICY

A full refund (except for amounts paid for CPP) will be made for written cancellations received by Holland America Line, 300 Elliott Avenue West, Seattle, WA 98119 **at least 76 days prior to the date on which you are to commence travel by air, rail, sea or otherwise.** Cancellation fees for guests who cancel after that date for any reason, including medical or family reasons, are subject to the following per-person cancellation fees:

75–46 days before commencing travel:
an amount equal to deposit requirement;

45–16 days before commencing travel:
50% of gross fare;

15 days or less before commencing travel:
100% of gross fare.

Given that the resale of cancelled space will likely result in a lost opportunity to sell other space, these fees are due regardless of resale. Fees incurred as a result of cancellation cannot be applied to future bookings. Refunds will normally be made to your travel agent. Travel agents may impose their own cancellation fees. Agency fees of any nature are a matter to be decided on solely by the agency and guests.

Name changes require the prior approval of Holland America Line and may not always be possible. Cruise contracts are nontransferable. Name changes and departure date changes are considered reservation cancellations and are subject to cancellation fees.

CRUISE FARES

Traveling with Holland America Line is one of the best vacation values around. Your cruise fare includes accommodations aboard an elegant Holland America cruise ship, most meals and entertainment on board ship and, where applicable, transfers between airport, hotel and ship. Not included, however, are items of a personal nature or optional programs or optional activities, such as alcoholic beverages, soft drinks, laundry and dry cleaning, shore excursions, medical, barber and beauty shop services. All fares are per person in U.S. dollars.

GRATUITY POLICY

Our crew works very hard to make sure that every aspect of your cruise meets the highest standards. Gratuities are the customary means of recognizing and showing appreciation for good service. To save guests the need to locate crew members and determine the appropriate gratuity amount, a gratuity of US\$10 per day is automatically added to each guest's shipboard account on a daily basis. If our service exceeds or fails to meet your expectations, you are free to adjust this amount at the end of the cruise. All gratuities are paid to the crew and represent an important part of their compensation. A 15% service charge is automatically added to bar charges and dining room wine purchases.

In terminals, airports, ports of call and on shore excursions, we suggest that you extend gratuities consistent with customary local practices.

FARES, NON-DISCOUNTABLE AMOUNTS, TAXES AND SURCHARGES

Holland America Line reserves the right not to honor any published prices that it determines were erroneous due to printing, electronic, or clerical error. Each cruise fare includes a "Non-Discountable Amount." That portion of the fare is neither commissionable to travel agents nor subject to reduction in the event of a percentage discount promotion, 2-for-1 promotion or otherwise. Fares quoted in this brochure are those in effect at the time of printing. If cost factors dictate the need for fare increases, Holland America Line may do so at any time prior to departure. Guests can cancel (without paying a cancellation fee) rather than accept a fare increase. This right does not apply to increases in Taxes or to surcharges, as described below. The term "Taxes" as used by Holland America Line refers to certain taxes, fees and charges imposed by governmental or quasi-governmental authorities, including port authorities, relating to any aspect of your cruise or tour. If governmental action results in any element of Taxes exceeding the estimates used by Holland America Line for purposes of preparing this brochure, we reserve the right to pass through the extra amount. Similarly, Holland America Line reserves the right to impose or pass through fuel surcharges, security surcharges or similar incidental surcharges. No right of cancellation exists under either of these circumstances.

GUESTS WITH DISABILITIES

We do not discriminate against persons on the basis of disability. We seek, to the extent feasible, to accommodate the needs of persons with disabilities. We have a limited number of staterooms designed for wheelchair access. Service animals are permitted on board ships if prior arrangements have been made. You need to be aware, however, that certain land and shore facilities may not be fully accessible to persons with disabilities. While Holland America Line endeavors to contract with companies which provide accessible services and facilities, we cannot guarantee that all services and facilities will be fully accessible. In limited situations where an individual with a disability would be unable to satisfy certain specified safety and other criteria, even when provided with appropriate auxiliary aids and services, we may find it necessary to ask the individual to make alternative travel arrangements. We must be notified of any special medical, physical or other requirements of passengers at the time of booking. Please contact our Access and Compliance Department at halw_access@hollandamerica.com or call 800-547-8493.

MEDICAL SERVICES / INFANTS / PREGNANCY

Each of our ships is equipped with limited medical facilities that are staffed by a physician and registered nurses. The physician is an independent contractor. There will be a fee charged for all medical services and medications obtained on board. If you become ill during the voyage and the physician is unable to care for your needs on board, you will be transferred to medical facilities on shore. If your condition will require that you have special medical apparatus or assistance on board, we must be made aware of that at time of booking in order to determine whether we can accommodate your needs. If you are using prescription drugs, please bring an adequate supply with you and keep them in your carry-on luggage. Due to the limited medical facilities on the ships, we will not accept reservations for infants 12 weeks or younger at time cruise commences, or women who will be 24 or more weeks pregnant at the time their cruise with Holland America Line concludes.

IMMIGRATION AND IMMUNIZATION

For cruises beginning and ending in U.S. ports, government-issued photo identification together with an original or certified copy of your U.S. or Canadian birth certificate or your naturalization certificate is acceptable. Non-U.S. citizens must have a valid passport and any necessary visas* Please verify carefully the existing identification requirements for your particular travel situation. In addition, non-U.S. citizens who have previously been admitted to the United States for permanent residence must carry their Permanent Resident Card (Form I-551), commonly known as a Green Card. You are also responsible for securing necessary visas and immunizations. Information on visas, if applicable, is provided to travel agents by Holland America Line. Information on visas may also be obtained by contacting Zierer Visa Service at 1-866-788-1100 or by sending an e-mail to hollandvisainfo@zvs.com. Guests are responsible for staying apprised of any changes. As to immunizations, please check with a travel medicine specialist or local health

department for specific recommendations and/or requirements. Additionally, you may find some helpful information on the U.S. Centers for Disease Control website at www.cdc.gov/travel or call toll free 1-877-FYI TRIP. Some countries have special requirements for minors (under 18) who are not traveling with both parents. Please discuss this with your travel agent.

** At the time of printing, many non-US/Canadian guests require a visa for Canada. The Canadian government will not allow those guests without proper documentation to remain on board while in a Canadian port. For updated information, please refer to the following website: <http://canada.gc.ca>. Guests without proper documentation will be denied boarding without compensation.*

BAGGAGE POLICY

Holland America Line will carry as baggage only your personal effects for your wearing, comfort or convenience during your travel with Holland America Line. Your baggage needs to be placed in securely constructed and locked suitcases or trunks. If your travel includes a land component, you are limited to two pieces of checked baggage and one overnight or light flight bag which must remain in your custody at all times.

Holland America Line does not assume any liability for loss of or damage to or delay of perishable items, medicine, liquor, cash, credit or debit cards, jewelry, gold, silver or similar valuables, securities, financial instruments, records or other valuable or business documents, computers, cellular telephones, cameras, hearing aids, electric wheelchairs, scooters, or other video or electronic equipment, binoculars, film, videotape, computer disks, audio disks, tapes or CDs. These items should not be left lying about the ship or your stateroom, nor should they be left unattended on other vessels, railcars or other vehicles or in hotels, nor placed in luggage other than the bag you carry with you. In addition, Holland America Line will not assume any liability for any loss of or damage to carry-on baggage left unattended on the ship or on other modes of transportation or in hotels. Holland America's ships provide, at no extra charge, either safe-deposit boxes in the ship's Front Office or stateroom safes. Certain hotels may also provide similar facilities. Your use of safe-deposit boxes, stateroom safes or similar facilities will not increase Holland America's liability as described below.

Holland America Line cannot be responsible for any loss, delay or damage that occurs before baggage comes into Holland America's actual custody when you begin your travel with us or after baggage leaves Holland America's actual custody at the end of your travel with us. In particular, please note that we assume no responsibility for loss, damage or delay while baggage is in the custody of airlines.

If Holland America Line, due to any cause whatsoever, is liable for loss of, damage to or delay of your property, the amount of Holland America's liability will not exceed us\$100 (us\$600 for guests who have purchased Cancellation Protection Plan) unless you have specified to Holland America Line in writing the true value of your property and paid to Holland America Line before departure 1% of the value in excess of us\$100
