

Kid's Crew™

Fun for kids of all ages.

You want to go here. They want to go there. You want to unwind. They're just winding up. How do you take a real vacation and still bring the kids? By taking separate vacations, together.

NCL's Kid's Crew™ is a program of things to do, places to go and kids to meet. It's like recess, only longer. Sleep-away camp, only better. Because your children won't get homesick, but they also won't get underfoot. You can enjoy a massage while they're on a treasure hunt. Play roulette while they're camping out, or head for the Chocoholic Buffet™ while they're having a pillow fight at a pajama party.

Every minute they spend in Kid's Crew™ is carefully supervised by our staff of youth counselors from leading universities and organizations. Prior to coming aboard, they attend a special training course on team and confidence building, communication skills, safety and working with children who have special needs. Together they've come up with an impressive bag of tricks for your kids.

There are circuses, crafts, parades, sports, games, stories and parties. Campouts with flashlights and tents, and cooking classes where they can make pizza or pancakes with funny faces. There is T-shirt painting, face painting and poolside root beer floats. Treasure hunts and sand castle competitions on our private island. And even shore excursions designed just for families. Of course we promise we'll give them plenty of time to spend with you, too. Shoot some hoops at the basketball court. Take them to the magic show. Let junior beat you at table tennis. (Or maybe try hard not to.)

What's for dinner?

That's for you to decide. You can make it a family affair in one of our elegant dining rooms, or have dinner for two while the kids are served up meatballs and spaghetti. We offer eight delicious children's menus to tempt the most finicky eaters. And of course, there's always peanut butter and jelly on hand, just in case.

As a matter of fact, it's a toss-up who loves Kid's Crew™ more. Because while they're doing their thing, you're free to do yours. An aerobics class? Step right up. An intimate dinner at Le Bistro? Follow me please. A few hands of blackjack? You bet.

As you can see, your kids won't be having all the fun. And since almost everything is included, your kids won't be constantly pestering you for money. (And neither will we.)

Think about it. You get to do something that's entirely in the best interests of your children, while it frees you up to do your own thing at the same time. We provide so much fun we know your kids will have the trip of a lifetime!

To participate in Kid's Crew™, child must be 2 years or older prior to sailing date. Babysitting is available for a nominal fee. Some restrictions apply.
