## ➤ frequently asked questions

### what should i wear?

Comfortable walking shoes are recommended for all shore excursions. When you visit places of worship, we recommend dressing conservatively (no shorts or sleeveless tops), but casual clothing is perfectly acceptable. Dress in layers and have a jacket along. Bring an umbrella or raincoat, a hat and sunscreen.

### what about meals?

Most tour departures complement the ship's meal service hours. In-room dining is available on board.

### how will i know what time each tour departs?

The on-board Shore Excursions Order Form in your stateroom will show departure times. This information will also be printed on your shore excursion tickets, which you will receive on board. Approximate tour departure times are posted on our website at [www.hollandamerica.com](http://www.hollandamerica.com).

### i have a disability. how do i know which tours will best suit me? will i have a problem (dis)embarking the ship?

Guests with disabilities should inquire in advance whether a shore excursion will be able to accommodate their needs. We have graded the Shore Excursions according to the relative level of activity they entail. The walking icons that appear at the beginning of each tour description provide a general idea of the level of activity to expect. Please refer to the "How to Choose Your Tours" section in this brochure for specific information on the walking icons. It is important to keep in mind that shore excursion operators are subject to the laws of their own country including with respect to accommodating the needs of guests with disabilities. In most foreign countries, the laws are not as stringent as those in the United States. Please speak with the Shore Excursions Office as to whether you can expect to encounter difficulties (dis)embarking the ship in a particular port of call. In this regard, the decision whether or not to carry or provide other mobility assistance to a guest and their mobility assistance device (wheelchair, walker, etc.) up or down a ship's gangway, or on or off a tender boat, is at the sole discretion of the Captain,

made based on his evaluation of guest and crew safety. We encourage you to bring a collapsible wheelchair as space limitations may restrict the ability of some tour operators to accommodate motorized mobility aid devices.

### i am traveling with friends and we would like to be on the same motor coach

The departure location for each shore excursion is printed on your shore excursion tickets. If you wish to travel with friends, please arrive at the designated meeting place together. This will enable the staff to allocate space for you on the same vehicle.

### tour durations

The individual tour descriptions include approximate durations. To allow our Shore Excursions Managers flexibility to coordinate your time in port with meals and activities on the ship, exact departure times are published in the Shore Excursions Order Form on board. For more information, please attend the Shore Excursions Presentation or visit the Shore Excursions Office.

### tour descriptions

Tour descriptions may change after printing. Information that becomes available after this brochure is published will be posted in the Shore Excursions section of our website, which can be found online at [www.hollandamerica.com](http://www.hollandamerica.com). Significant changes will be noted on the Shore Excursions Order Form on board. Tour schedules are subject to change.

### general information for booking online

At the time of making your reservations online, we will advise you whether or not your reservations are confirmed or whether you have been waitlisted. Your credit card will be charged immediately for all confirmed reservations. Should space become available for a waitlisted shore excursion request, we will e-mail or otherwise contact you at that time and either immediately charge your credit card if you have already given us your credit card information or ask you to provide us with that information for immediate charge processing. Shore excursion reservations are subject to cancellation by us at any time prior to the credit card charge being accepted by your bank. If the credit is not fully utilized during the cruise, the balance will be paid to that guest by the ship's Purser.

## ➤ expand the experience: take more than one tour in each port

Make the most of your time in each port by combining different half-day tours to complete a full day of sightseeing. You might want to consider a morning cooking class with an afternoon walking tour; a morning stroll through a mosaic-lined church and an afternoon of sampling local wine at a vineyard; or even a bike ride and an evening cultural performance—all in one day! Whatever your interests, and whichever pace suits you best, there's a huge variety of tours to mix and match in this brochure. To make combining easy, for tour departure times and durations, visit our website at [www.hollandamerica.com](http://www.hollandamerica.com).

## ➤ how to choose your tours

Choose your shore excursions by using these icons as a general guide to the level of activity involved, and select the shore excursions best suited to your physical capabilities.

**easy activity:** Very light activity including short distances to walk; may include some steps.

**moderate activity:** Requires intermittent effort throughout, including walking medium distances over uneven surfaces and/or steps.

**strenuous activity:** Requires active participation, walking long distances over uneven and steep terrain or on steps. In certain instances, paddling or other non-walking activity is required and guests must be able to participate without discomfort or difficulty breathing.

**panoramic:** Specially designed for guests who enjoy a slower pace, these excursions offer sightseeing mainly from the transportation vehicle, with few or no stops, and no mandatory disembarkation during the tour. As vehicles outside the USA are rarely lift-equipped and ramps are seldom available, a very small amount of walking will be necessary. The pace will be gentle and taking your time is encouraged.

**limited capacity:** The number of people able to participate in this tour is strictly limited. Reasons for limiting capacity may include the number of transportation seats available, or to maintain a safe ratio of guides for hikes, fishing and water activities. Tours require a minimum number of participants to operate.

**meal:** This tour includes a meal—lunch on daytime tours, or dinner on evening tours.

**snack:** This tour includes a small snack or tasting of local specialties. The snack is not a meal.

## ► the collections of Holland America Line

What fascinates you? A cooking class with a local chef? A private car, complete with driver and guide, so you can explore near or far? A chance to encounter wildlife or view natural wonders up close? The Collections of Holland America Line represent a small subset of the shore excursions you will find in this brochure. Each collection offers its own particular focus and is available only in select ports.

### Medallion Collection

A series of exclusive experiences designed to accommodate our most discerning guests, our Medallion Collection tours are each carefully chosen to provide an in-depth perspective. They offer unparalleled access to events and sights not normally readily available. First-class style, smaller groups, multi-day Overland Adventures—elite activities for a privileged few.

### Encore Collection

Been there, done that? Think again. Our Encore Collection, designed especially for repeat guests, lets you discover what lies beyond the well-known attractions you've already seen. Barbecue with Argentine gauchos, bike the tree-lined boulevards of Barcelona, ride an Icelandic pony across a windswept beach near Reykjavik. These tours showcase hidden gems, unusual angles and inside stories that will bring you back time and again.

### World Wonders Collection

Natural treasures, architectural marvels, technical wonders: to the Seven Wonders of the World we add our own nominations based on decades of leadership in global travel—the sandstone city of Petra, the *moai* statues of Easter Island, and the Great Wall of China, among others. What they have in common is the ability to inspire awe.

### Cruise with Purpose Collection

For every global citizen who has ever dreamed of either giving back or paying it forward, the innovative Cruise with Purpose Collection is quite simply about improving our planet one voyage at a time. Assist in scientific research, bring much-needed supplies to an orphanage, participate in a fair trade scheme or cultural

exchange, replant native forest or restore fragile habitat—your footprint will be light and your soul enriched.

### Signature Collection

This exclusive touring option for independent-minded travelers lets you completely customize and maximize your time ashore by reserving private transportation (along with an English-speaking driver and guide) in advance. Whether you travel by car or minivan, customized boat, classic floatplane or stretch SUV limousine, you choose the companions, sights and pace that perfectly suit you.

**to whom is the signature collection suited?** The Signature Collection is for solo travelers, couples, families, friends and special interest groups traveling together. This may also be an excellent choice for non-ambulatory guests. Value and flexibility are just two of the advantages of first-class touring and luxury transportation. Privacy, comfort, safety, and personalized guide service are also yours to enjoy.

**about the transportation:** Each type of transportation will be of the highest grade available in that port. Not all modes of transportation are available in all locations. For information about the transportation sizes and availability, please see our website at [www.hollandamerica.com](http://www.hollandamerica.com).

**pricing:** The cost of each type of transportation will be published online at [www.hollandamerica.com](http://www.hollandamerica.com).

**also included:** The cost includes the service of a driver and English-speaking guide, unlimited mileage, road tolls, parking fees and bottled water.

**not included (unless otherwise noted):** Guests' entrance fees for attractions are not included in the price due to the wide range of attraction possibilities, uncertain number of attractions to be visited, and varying number of guests participating. We strongly

recommend that you bring some local currency to cover such costs as credit cards are not readily accepted in some ports. Lunch will not be included on any tour as many guests prefer to select their own dining venue.

**itinerary planning:** If you need help planning your personal itinerary, the Port Lecturer and/or Shore Excursions Manager can assist you and will gladly answer your questions. This can be very helpful in many destinations where travel time, location, holidays, and opening hours of attractions need to be taken into consideration in order to maximize the efficiency of your time ashore.

**online reservations:** The fastest and easiest way for you to reserve and pay for your Signature Collection experience is on the Holland America Line website. Visit us online at [www.hollandamerica.com](http://www.hollandamerica.com). Please note the cost will be per mode of transportation (not per person), so only one person in the party needs to make the reservation. The price shown on the website is the total cost for the transportation, driver and guide (not a per-person price). In many ports, availability is extremely limited. Please reserve as early as possible.

**payment & tour vouchers:** Your credit card will be charged after your reservation is confirmed. Next, start planning what you'll do with your Signature Collection experience in each port. On board the ship, you will be given a form to advise the Shore Excursions Office of the itinerary you have chosen.

**booking on board:** The Signature Collection may be available for booking once you are on the ship, but this cannot be guaranteed. Please check with the Shore Excursions Office on board.

**disembarking the ship:** In some disembarkation ports, a private vehicle and guide can be used for sightseeing en route to the airport. When booking, please advise the total amount of luggage for your party. Size of vehicle and luggage space may limit the number of guests in the vehicle.

**Half Moon Cay, Bahamas - Tuesday, December 14, 2010:** Holland America Line's pristine private island offers everything you need for a day of play in paradise: a two-mile crescent of perfect beach; an interior lagoon; private beachside cabanas with butler service, showers and misters; and all manner of watersports and activities, including a children's aqua park and a buoyed personal watercraft course.

Next, you will pass Half Moon Cay Marina and the dining pavilion on the way to Pegasus Ranch, where you will take a brief rest. Remount your bike for a short ride to the seaplane landing area for refreshments. You’ll leave your bike behind as your hike begins here. Keep an eye out for birds that are occasionally seen here, such as the Bahamas mocking bird, wood dove, white crown pigeon, tobacco dove, Cuban finch, banana bird, poor Joe and burrowing owl. Climb the ridge, which boasts a first-stage lookout with an awesome view of Bone Fish Lagoon, Stingray Park and the Water Sports Rental Center. You’ll find yourself standing on the foundation ruins of a limestone dwelling from the 1700s. The vegetation in this area are trees of Madeira bark, pigeon plum, wild tamarind, Bahamian hardwoods, sapodilla, camalamy bark, seven-year apple, silver buttonwood, love vine and sisal cactus. The latter is used for rope making. Cross over a dividing wall that is hundreds of years old. On the other side you will pass additional ruins en route to the eastern lookout. Here

### Eco-Walk and Bike Tour

Departs: 10:15 AM, 11:45 AM  
Approximately 1 ½ Hours  
Price \$35.00

Your informative guide will walk with you along a path that meanders past a pond. Seasonal inhabitants here include local species of wildlife such as egrets, coots, Bahamas ducks, herons and diver ducks. You will walk across a bed of crab holes where the white crab buries itself during the day, coming out to feed at night. These crabs are hunted by the natives and are considered a delicacy when cooked with rice. Silver buttonwood trees abound near the water’s

edge. Their intricate root system creates a great deal of driftwood. Other indigenous trees, poisonwood, pigeon plum, torchwood and thatch palms line both sides of the trail. Three different vantage points along the walk allow views of the “back of the house,” where the heart of the island’s operations are located. Your guide will brief you about the operations of the island staff residences, cafeteria, gym, recreation room, maintenance shop, fabrication shop, reverse-osmosis water plant, electrical generating plant, incinerator plant, and island telecommunications. This is a 15-minute walk, which ends at the Island Nursery—an eco-friendly facility irrigated by a natural spring. Composted materials from seaweed and landscaping are used as a natural fertilizer. Groves of coconut and palm trees are grown for transplanting throughout the island. The vegetable patch has a sample of local vegetables and herbs. Citrus trees such as lime, sour orange, and grapefruit produce fruit for juice, marinades, and dressing. The chicken coop provides free-range eggs that are harvested daily from chickens fed with corn raised on the island’s farm. A mulching machine mills fallen tree limbs collected from around the property. A limekiln cooks conch shells to make lime the way early settlers did. The lime is used to sanitize the walls of the rock abodes. Remnants of these dwellings can be viewed on the next leg of your tour at the ruins. You will get a firsthand look into the local methods of planting seedlings, clippings and mossing, which produces the various plantlife that is raised and transplanted around the Cay. A 15-minute walk along a ridge with an elevation of 20 to 50 feet overlooks the Nursery and the Stingray Park and ends at Bone Fish Lagoon. From this location, you will see ruins of four limestone houses dating back to the time when loyalist

settlers inhabited the Bahamian Isles during the 1700s. Native trees such as wild tamarind, sapodilla, love vine, five fingers, camalamy, sisal cactuses, Madeira bark, cabbage palms, seven-year apple, and sea grapes are in abundance throughout this walk. Birds occasionally seen here include the Bahamas mocking bird, white crown pigeon, tobacco dove, Cuban finch, banana bird, poor Joe and burrowing owl. The ridge portion of the tour ends at the bicycle depot, where a bottle of cold water or soda awaits you. Select your helmet and bicycle and listen to a safety briefing. Then jump on your bike and take a 15-minute bicycle ride up the Bone Fish Trail to Stingray Park, down past the Island Nursery and Tropic Restaurant and capturing gorgeous view of the beach. Your ride continues to Pegasus Ranch, home of the swimming horses. Enjoy a brief rest stop at the ranch then coast down to the seaplane landing and Bone Fish Lagoon, where your bike ride ends.

Please note: Minimum weight is 50 lbs; maximum weight is 225 lbs. Minimum age is 10 years; maximum age is 80 years. Wear shorts, a t-shirt, and aqua shoes, sneakers or sandals that you don’t mind getting wet.

After a 20-minute ride from the pier to a private dock at Moin, board a jungle pontoon boat specially designed to cruise in comfort through the jungle canals. These canals form part of a river system that parallels Costa Rica's Caribbean coastline. The Tortuguero Canals are known as Costa Rica's Amazon because of its surrounding rain forest. The heavy annual rainfall fills the area with an extremely rich flora and fauna. Here you can see orchids and water lilies, and you may spot, birds, monkeys, crocodiles, sloths, and toucans in this unique system of natural and man-made canals, used for transportation and exploration. Wonderful views of the lush jungle foliage mirrored in the canal's waters will delight your eyes. Wave to friendly natives in dugout canoes and watch women scrubbing their laundry at the river's edge while children swim along the bank or dive from tall trees. After this exciting boat tour, enjoy soft drinks, beers and tropical fruits and a stop will be made at a banana plantation before you return to the 21st century.

Please note: Tour is suitable for wheelchairs. Wildlife sightings are likely but are not guaranteed.

## General Information

### guides, services & transportation:

In certain interesting but off-the-beaten-track places, professional guides and vehicles are at a premium. The best available are engaged. For all tours other than the Signature Collection, it is exceptional for drivers of public hire vehicles to speak any language but their own and it is not always possible to obtain air-conditioned buses or taxis in many ports. However, we do our utmost to find the very best excursion packages for your touring pleasure. Guests who leave during a tour for which transportation is included must thereafter provide for their own transportation and services at their own expense. Transportation standards vary from country to country.

### self-guided excursions:

Guests who do not join these prearranged shore excursions must rely on whatever transportation is available in each port. If you choose to devise your own excursion, we suggest that you remind the driver or tour escort of the ship's sailing time. Of course, the ship's facilities are fully available to guests while in port.

### conditions:

Shore excursions are "Non-Holland America Line Services" for the purposes of your Cruise Contract. This means that shore excursions are not owned or operated by Holland America. Refer to your Cruise Contract for a full statement of your rights and obligations as well as those of the Owner of the Ship, Holland America Line Inc. and certain other persons and entities with respect to Non-Holland America Line Services. In particular, please note that you are assuming the entire risk of utilizing Non-Holland America Line Services subject only to whatever terms or arrangements are made by you or on your behalf with the third party furnishing the Non-Holland America Line Services.

Holland America Line does not assume liability for injuries or damages that occur during or as a result of shore excursions, nor is Holland America Line liable for loss of or damage to any baggage or other property which occurs ashore, for any reason whatsoever. Shore excursions are subject to cancellations or changes. Shore excursion operators reserve the right to deny participation to guests based on such criteria as they may establish. Children under 18 must be accompanied by a parent or responsible adult aged 21 or older.

### about pricing, refunds & cancellations:

Rates and descriptions are current as of the printing date. Prices are subject to change without notice and descriptions may vary from the actual tour provided. All cancellations that are made less than 5 days prior to cruise departure are subject to a 10% cancellation fee. There will be no exceptions. In addition, if you cancel your tour reservation after the booking deadline stated in the Shore Excursion Planning Form on board, or if you cancel a Signature Collection private vehicle tour, a 100% cancellation fee will apply since transportation and services will have already been arranged.

### cancellation of overland adventures and overnight tours:

The cancellation policy for Overland Adventures and Overnight Tours is (with no exceptions):

- 30 days before tour date: 25% penalty
- 14 days before tour date: 50% penalty
- Within 14 days: non-refundable

Please note that the Cancellation Protection Plan covers pre-booked Shore Excursions, including Overland Adventures and Overnight Tours, if cancellation is made up to 24 hours prior to commencement of cruise. Tours cancelled within 24 hours prior to commencement

of cruising or while on board are not covered by the Cancellation Protection Plan and are subject to the above penalties. In the event a complete tour is cancelled by Holland America Line or the tour operator, pre-booked refunds will be handled on board. Very shortly after each booking deadline/cancellation date, e-mails are sent from the ship to the agencies concerned, informing them of our definite requirements for meals, seats on aircraft, number of automobiles and motor coaches, etc., and commitments are made. If notice of cancellation is received after the booking deadline/cancellation date, a refund can be assured only if the ticket is resold. Guests are encouraged to pre-purchase shore excursions. We recommend speaking with the Shore Excursion Manager on board if you have any questions about your physical ability to take part in any shore excursion. Should you opt not to take the tour following this discussion, full reimbursement will be made provided the cancellation is made within 24 hours of boarding the ship. For Overland Adventures and Overnight Tours, due to the in-depth nature of the adventures, most areas are not accessible to wheelchairs and require a considerable amount of activity.
