Web Services @sea™

ibm.com/developerWorks

The Web Services at Sea conference will include keynote addresses, technical-briefing sessions, hands-on labs, and certification testing.* Gina Poole, IBM Vice-President of Developer Marketing and Web Communities, will deliver a Keynote address on IBM's e-business on Demand™ Strategy and the critical importance of Web services to this strategy. The sessions will be led by IBM's team of cyber-evangelists and e-business architects. Here's a look at what you'll learn.*

What you will discover by attending this cruise-conference:

- How Web services fit into the IBM software strategy
- The range of application scenarios that can benefit from the use of Web services
- The IBM software family and their support for the various Web services standards including SOAP, WSDL, UDDI, BPEL, WSIL, and other emerging Web services standards
- How to create, deploy, and connect to new and existing Web services
- Elements of the IBM Web Services Toolkit and other preview technologies

Some seminar highlights:

- General Web services architecture, SOAP, WSDL, and UDDI
- Details on IBM middleware product implementations of the above standards
- Details on IBM middleware products and associated Web service API implementations within IBM products
- Hands on* exercises that step you through developing and deploying Web services using WebSphere® Application Server Version 5.0 and WebSphere Studio Application Developer Version 5.0
- An overview of Java™ 2 Enterprise Edition (J2EE) security and exercises using tooling in WebSphere Studio Application Developer Version 5.0
- Best Practices illustrated through case studies and practical examples on using and publishing your services
- Understanding what is available to secure your Web services

Foreign Booking Fees and Additional Payment Information: There is a foreign booking charge of $60 per foreign residence ($35 per Canadian residence). There is a $25 charge for returned checks.

Air Add-ons: Airfare from most major cities is available through the cruise line. You can call our office for this pricing. (These rates include transfers to/from the dock/airport plus transfers to/from your hotel if we've booked the hotel as well.) In most cases, however, you will find better airfares on your own. Online travel sites such as www.geekcruises.globaltravel.com, Expedia.com, or Travelzoo.com are excellent resources.

♿ Physically challenged available

***Guaranteed Share (GS) Fares:** This plan is for passengers who are coming on a Geek Cruise by themselves and wish to share a cabin with another Geek Cruises passenger in an inside or outside cabin only. The prices are the same as the per person double occupancy rates. Share Passengers who smoke are not to do so in the cabin, unless okayed by fellow roommates. We try to match passengers with someone close in age, whenever possible. Note: Carnival Cruise Lines will not accept any booking unless a fully completed Reservation Form is accompanied with a per-person deposit:
